Water, Sewer Rate Jumps 70 Percent

by KAREN WILTBERGER

The Antioch Village Board Sept. 3 approved to increase water and sewage rates by 70 percent, leaving the village with still one of the lowest rates in the county.

Village Clerk Marilyn Sterbenz said the rate increase should be effective Oct. 1, but

there is a chance it may start Nov. 1.

The increase of \$1.35 to \$2.40 per 1,000 gallons is a result of a nearly tripling of sewage rates, going from 65 cents to \$1.70 per 1,000 gallons. The 70 cent water rate will remain the same.

EPA Targets Antioch Dump For Superfund

Antioch's 82-acre landfill owned by Waste Management Inc. has been eyed to be added to the U.S. Environmental Protection Agency's Superfund list of the worst toxic-waste

dumps in the country.

The controversial HOD garbage dump is among 38 sites targeted to be included in the national toxic waste cleanup program.

In 1984 the village of Antioch sued over the dump, located east of the downtown business district, charging that the Oak Brook-based firm was dumping toxic substances from industries in a location intended for domestic garbage.

According to the EPA, it seems the waste, including polychlorinated biphenyls (PCBs), are slowly moving toward the wells that provide water for Antioch residents.

Donna Henderson, an attorney for Antioch, said she has not received a report as to how the EPA determined the addition of the Antioch dump to the tentative priority list.

The EPA rates various sites on a scoring package, with 28.5 being the magical number to consider the addition of a site, she said.

As soon as a detailed report is released, Henderson said, a study will start to find out what exactly triggered the EPA to add it to the list.

The garbage dump was closed in 1983.

911 Lounge Owner Gets Permit To Move Business

by KAREN WILTBERGER

Cocktail lounge owner Ken Mazzuca after five months of unemployment has received a special use permit from the Antioch Village Board to move his business to the Antioch business area.

Mazzuca closed his 911 Lounge on Rte. 173 April 20 in a quest to relocate his business to Main St., formerly EJ's Camera Store. At that time, Mazzuca said, he thought he had a verbal OK by the board to move it there. But stemming from disapproval from the Chamber of Commerce and the redevelopment commission, the board had denied the request to add another tavern to the downtown location.

A special use permit approved by the board Sept. 3 will allow Mazzuca to move his business to 492 Orchard St., in the Antioch Shopping Plaza.

"I wouldn't say I'm joyful about it," Mazzuca said. "Being without income for five months will make it twice as hard to open."

Mazzuca purchased the 911 Lounge in

January 1981 when it was on Main St. and moved it to a rented building on Rte. 173 in June. The relocation is a result of Mazzuca's desire to own, instead of rent, a building for his business.

Village Clerk Marilyn Sterbenz said before Mazzuca opens a business he must apply for a liquor license, which would later be voted on by the board.

Mazzuca said a timetable has not been set for the construction of the lounge.

Arrests Man For Stolen Smokes

Benny Albergo, 55, of Antioch, was arrested and charged with shoplifting after exiting through an entrance door with four packs of Carlton cigarettes at the Jewel grocery store in Antioch.

Albergo, 501 Garys Dr., was released on a \$50 bond after Antioch police took him to the station in handcuffs Aug. 31.

Elect Fettinger

Dorothy Fettinger, broker/owner of Fettinger's Realty Company in the Village of Millburn, Lake Villa, was elected 1986 President of the Lake County Board of Realtors Friday, Sept. 6, at the Mundelein Holiday Inn.

Among the distinguished guests present were State Senators Adeline J. Geokaris, David N. Barkhausen and Jack Schaffer, along with county Board Chairman, James C. LaBelle; State's Attorney, Fred Foreman; Sheriff, Robert "Mickey" Babcox; Coroner, Barbara Richardson; Recorder of Deeds, Frank J. Nustra; and County Clerk, Linda Hess.

As 1986 President, Fettinger will head the 1500 member trade association representing 150 member firms in Lake County.

Fettinger has been active in real estate since 1964. In addition to serving as President, Fettinger chairs the Executive Committee of the Lake County Board of Realtors (the fifth largest real estate board in the State of Illinois), is a director of the 22,000 Illinois Association of REALTORS and a voting member of the delegate body of the 650,000 member National Assn. of Realtors.

Fettinger is also a member of the Illinois Chapter of the Farm and Land Institute and currently holds the title District 2 Vice President.

She foresees a continuation of the bullish real estate market well into 1986. She attributes the upswing to the stabilization and slight reduction of interest rates, the inventory of available homes and renewed consumer confidence in the economy. Fettinger cautions her optimism with concern about the federal deficit and the adverse effect government borrowing has on mortgage interest rates.

Other 1986 officers elected included Thomas P. Ross, first vice president, Starck & Company; Thomas P. Kreuser, second vice president, First United/Rayner, Realtors; Donald E. Giarrante, treasurer, Koenig & Strey, Inc.; and Eve B. Lee, secretary, Baird & Warner, Inc.

Newly elected to the Board of Directors of the Lake County Board of Realtors are Alex F. March, Merrill Lynch Residential Real Estate; Otto H. Sprenger,

Sprenger Real Estate; Stanley A. Salata, Poe & Poe Inc., Realtors; Frank Tierney, Century Grant Associates and R. Steven Kephart, Red Carpet Kephart Realtors. Directors continuing in office are Wesley H. Schuhknecht, Red Carpet Wesley Realty; David L. (Larry) Fales, Century 21 Michael Warren & Company and Thomas R. Ward, Century 21 Tom Ward & Associates.

Teacher Wins Florida Trip

An elementary school teacher is the first winner in Lakeland Newspapers' Florida trip contest, sponsored in conjunction with Grocery Guide advertisers.

She is JoAnn Weir, 4997 Carriage Ln., Gurnee, who registered at Lundy's Food Market, 4641 Grand Ave., Gurnee.

Mrs. Weir, her husband Brad, and two sons, Jeff, 9, and John, 6, will be able to vacation at their choice of two resorts in Daytona

Beach, Fla., that are offered in the contest.

The winner is a fourth grade teacher at Beach Grove School.

A new contest is starting immediately. Shoppers at all stores advertising in Grocery Guide, the food shopping supplement, are

eligible to register. There is no limit on entries.

Besides Lundy's, other Florida trip entry points include Pik Kwik, Fox Lake; Jo Pat in Antioch; Paul's Super Foods in Grayslake, and Nix's stores in Long Lake and Round Lake.

Choses Antioch SIU-C Student For Flying Team

Southern Ill. University student Dean Haviland, of Antioch, has been selected to be on the school's champion flying team.

Practice is underway for members of the 12-person Flying Salukis in preparation for the Region Eight Intercollegiate Flying Assn. championship Oct. 1 to 12 at Southern Ill. Airport near Carbondale.

The Flying Salukis, hosts for the competition, are defending champions, having won the regional event for the past three years.

A top-three finish in the regional championship will qualify teams for the

national championships in the spring. SIU has won the National Intercollegiate Flying Assn. competition in six of the past eight years.

To be eligible for the team, members must be full-time SIU students with above average grades and must have a private pilot's license (but not an instructor rating). Selections are made on the basis of flying ability, knowledge of aeronautical regulations and aircraft recognition.

McClory To Speak

"A Congressman Remembers" will be the topic of former U.S. Representative Robert McClory at the 1985 Membership Meeting of the Lake County Republican Federation, Saturday, Sept. 14, at the Northern Chalet, 1706 N. Milwaukee Ave., Libertyville.

President Ned Fisher said McClory's reminiscences will make a fascinating program. For 20 years, McClory represented the former 13th Congressional Dist. He was elected to the Illinois House in 1950; elected to the State Senate in 1952, 1956 and 1960. He resigned in 1962, following nomination to the U.S. House of Representatives.

The Saturday morning session will start with coffee and rolls at 9:30 a.m., and will include financial and membership reports, election of board members and officers, and the presentation of the Bob Milton Memorial Award to an outstanding Republican. Guests will be welcome.

Sue Gravenhorst of Lake Forest will report on membership and will introduce her successor as

membership chairman, Mrs. B. C. Masters of West Deerfield. Ron Strahan, treasurer, who lives in Wadsworth, will review finances.

William E. Brook of Antioch, Federation past president, is chairman of the nominating committee, which includes Michael Jaroch, Lake Villa; Suzanne Meyer, Shields; Wayne Miller, Cuba; and Bernard Wysocki, Libertyville.

No Warrants Issued, No Word On Kelly

by GLORIA DAVIS

Despite the fact that investors from both Illinois and Wisconsin claim to have been bilked of over \$6 million by Woody Kelly, former Antioch investment broker, and also the fact that state and federal law enforcement agencies have reportedly been searching for him, to date no warrants have been issued against Kelly.

Kelly disappeared from a boat that left Kenosha Harbor on June 8.

According to Assistant States Atty. Mike Fritz,

Satellite Offers Screening

Free blood pressure screening will be offered to the public on Sept. 19 at St. Therese Area Trauma Satellite (STATS), located on Rte. 59, just south of Grand Ave. in Lake Villa.

No registration is required, just stop by between 11 a.m. and 2 p.m.

The medical term for high blood pressure is "hypertension." Left untreated, high blood pressure increases the risk of premature illness or death from coronary heart disease, stroke and heart or kidney failure.

One out of every seven Americans has high blood pressure. Yet, three-fourths of our people still do not know all the facts about this dangerous disease.

there is some concrete evidence that Kelly might have drowned last June. That and the fact that there have been no definite sightings of Kelly, have given his office the "luxury" of making a thorough investigation of the case before the decision to issue warrants and charges will be made.

"The man was a world traveler, if he is alive he could be any place," Fritz said.

He added that even if his office was apprised of a positive sighting of Kelly outside of the United States, the state's attorney's office has no power of extradition.

"If that happens we would then go to federal agencies and hope that they could go through the extradition process," Fritz said.

"This investigation is a monstrous job because of the years Kelly was in business that included a change of partners and the operation of eight different companies," Fritz added.

The states attorney's office has sent questionnaires to all the known investors and is in the process of interviewing them as the forms are being returned.

"We have over 300 people to talk to and all of them are not conveniently living in Lake County, they're scattered all over," said Fritz.

Fritz added that his investigators have found "a smattering of money that was invested but nothing in the realm of the \$6 million reported."

Presently Kelly's business and personal possessions are in receivership with mortgage holders getting the first crack at some money recovered.

Recent unconfirmed reports have Kelly carrying a \$500,000 life insurance policy.

CLC Approves Budget

The College of Lake County Board of Trustees has approved the 1985-86 budget.

The budget appropriates \$14,644,407 for the Educational Fund and \$2,839,606 for the Operations, Building and Maintenance Fund.

"The budget which we adopted reflects a solvent and stable economic circumstance," said board member James Lumber. "We will be able to retain our staff, maintain our campuses and continue our position as one of the leading community colleges in the state," he added.

The board also approved contracts totalling more than \$900,000. Among those approved were a \$500,000 contract to continue the Dislocated Worker Project which provides services to individuals who have been laid off from OMC Johnson;

a \$313,000 extension of the contract with the U.S. Navy for instruction in basic skills in San Diego and Hawaii; a contract with MacLean Fogg Company, Mundelein, to provide supervisory skills training for manufacturing and office managers; a grant from Illinois State Board of Education, which appropriated funds to support the Adult Education program at CLC; and grant from the federal government which appropriated funds to support the Cooperative Education program at CLC.

The board gave its endorsement to the "CLC Strategy for Economic Development," presented by President John Hunter.

The strategy gives a specific future direction for the Center for Economic Development at CLC. In presenting the strategy, Hunter told the board, "The strategy statement is an effort to provide a broader context for the original goal of establishing the Center for Economic Development. It is now operating very successfully. It is important for the administration to work with strategies like this in mind or else you run the risk of losing direction."

In other action the board:

- Approved a two-year contract with the CLC faculty association. The contract, ratified by the association earlier this month, calls for increases of 8.57 percent in wages and benefits the first year and 8.07 percent the second year.
- Named Dean of Business Services Wayne Haberkorn acting Vice-President for Administrative Affairs to fill the position left by Vern Manke who has accepted a similar position at William Rainey Harper College, Palatine, Ill.
- Appointed Haberkorn as Board Treasurer and Christine Sobek as Board Secretary. Both will serve as officers of the Board, at no salary, at least until the time the administrative vice-president position is filled.
- Named Larry Whittier acting Associate Dean of the Health, Physical Education, Intramurals, Recreation and Athletics division. Whittier, former CLC cross-country coach, will fill the position left by Larry Matthews who has accepted a similar position at Yale University, New Haven, Conn.

The CLC Board of Trustees will be holding the next two regular meetings off-campus, meeting on Sept. 24 at the Southlake Educational Center in Highland Park and on Oct. 22 at the Lakeshore Educational Center in Waukegan.

Country Western Singles

The Country Western Singles Club will meet at 7 p.m., on Sunday, Sept. 15, at the Country Music Inn on Hwy. 21 and Aptakisic Rd. in Halfday. There will be live music and free country western dancing lessons. For further info call (312) 587-8179.

League Presents Fashions

Windward Farm, Mundelein, will be the scene of "Fashions of Yesteryear" by Carol Lawrentz, Highland Park, on Friday and Saturday, Sept. 20 and 21. The yesteryear fashions date from the late 1800's and early 1900's.

Windward Farm is a 200-acre county estate with a Georgian style home overlooking a private lake and pool pavilion. "Fashions

of Yesteryear" will be modeled by Service League for Handicapped Children members who are residents of Kildeer, Inverness, Palatine, Rolling Meadows, Arlington Heights, Buffalo Grove and Libertyville. With this event the Service League marks their 20th year of fund raising efforts for handicapped children.

Tickets are \$25 per person which includes the fashion show, the box luncheon and the shuttle bus service from the Long Grove Church parking lot. For tickets and further information, telephone (312) 397-0897; (312) 438-7471; or (312) 358-0443.

PM & L Presents Fiddler

PM & L's 25th year is here. "Fiddler on the Roof," directed by Tom Hausman, will open the season with a bang. Its crackshot cast composed of veterans, young and old, and fresh new talent blend to give an outstanding performance.

The leads, Tevye and Golde, played by Ken Smouse and Anne Maire Cina respectively, guide the audience through village life in pre-war Russia.

Memorable songs depict the humor and strife found in their small town of Anatevka. Their five daughters, Tzeitel (Debbie Bene), Hodel (Rosaline Trusky), Chava (alternately played by Julie Sacco and Jane Hausman), Sprintze (Dana Bersie), and Bielke (Amy Hausman) are a good part of that strife.

The three eldest daughters, Tzeitel, Hodel and Chava decide to choose husbands on their own, a service usually left to the matchmaker of the town, Yente (Lillian Allen).

Motel the tailor, (Mark Badtke) is the eldest's choice. Perchik, a rebel student (Peter Thelen), is the second daughter's choice. And Fydka, a Russian peasant, is the third's choice. Unfortunately, the butcher Lazar Wolfe (Larry Bersie), is jilted as a result of the choosing.

Naturally, the town tradesmen and women take sides in the argument concerning Tzeitel and Motel's wedding. The tradesmen are Mordecha (Gerry Mandel), Avraham (Fran Jansta), Ron Casey, Thom Hannigan, Scott Mandel, Dave Ramsey and Nachum the beggar (Charlie Brown).

The townswomen are Shandel (Delores Finley), Carol (Irene Seeman), and Sue (Donna Badtke). The Rabbi (George Cina) and his son Mendel (Alex Apostal), are always called upon to keep the peace.

The afterworld also wants in on the disagreement. The ghost of Grandma Tzeitel

makes her preference known (played alternately by Ricky Apostal and Betty Smouse), and Fruma Sarah the butcher's dead wife (Donna O'Donnell), gives an opinion.

To round out the Russian side of town, the constable, (played by Bill Seeman), and his henchmen (Stephen Biel and Wes Underwood) carry out the Tsar's orders.

To fill out the town there are mamas - Lea Carlson, Jill Cavage, Glenna Kisner, Ann Livamore, Debbie Ramsey, Regina Reynolds; daughters - Tricia Apostal, Cindy Ciotois, Diana Dunham, Sarah Finley, Lida Garofalo, Kerrie Nauseda, Jeanette Ray, Tabra Ray, and Amy Sheppard; and sons - Guy Finley, Ryan Finley, Brendan Hannigan, Keir Stahlhut, and Mitch Young. But the town is not complete without the fiddler (Andrew Dominguez).

Showtimes are Sept. 20, 21, 27, 28, 2:30 p.m. matinee on Sept. 29, Oct. 4, 5, matinee on Oct. 6, 11, 12. Evening shows begin at 8:30 p.m.

Name Best Kirk Actress

Veteran Kirk Player Paula Willems of Wildwood has been awarded the community theatre group's highest honor, their "Hazen" Award for Most Valuable Player. "Hazen" Award winners are selected by the players themselves in recognition of backstage and administrative efforts, and an enthusiastic supportive attitude along with on-stage excellence.

Willems has been an active player for eight years and won her first Kirk award as a guest performer in "Playroom" when only 11 years old. Since then she has added another best supporting actress award in 1981 (Lillon), and was last year's best actress for "Fools."

She has also been very active in the Kirk's summer workshops and has won three "O'D" Awards as "Best Actress" and a "Mary Pearson" Award for "consistency of excellence throughout the entire workshop season."

This year she added another best actress "O'D" in addition to her "Hazen" MVP award, making her the most award-winning female in Kirk History.

The presentation of the "Hazen" Award climaxed the Kirk Player's 14th Annual Awards Banquet which was held at The Lambs Country Inn in Libertyville.

"Leslie" Awards were presented for outstanding performances in the group's subscription series productions. "O'D" Awards were also awarded for outstanding work in their summer workshop program. Phyllis Carter of Mundelein won the best actress "Leslie" for her delightful portrayal of the crooked party hostess in "Honestly, Now!" This was the second award for Carter who won last year's best supporting actress "leslie" as the stupid vendor in "Fools."

Other "Leslie" Awards selected by the players and their season ticket holders included Bob Thomas of Barrington as best actor. Thomas' comic and moving performance as the gentle but determined professor in "The Male Animal" earned him his fourth best actor award in his seven years as a player.

Best supporting "Leslies" went to a Libertyville couple who played the Iowa farm couple, turned French policemen, turned jewel thieves in "Honestly, Now!" Russ Slade and Maureen Cook Slade won their best supporting actor and actress awards in only their first full season as players.

Russ Slade was also the winner of the "O'D" Award for best director of a sum-

mer workshop scene. His scene from "All Summer Long" was also voted best scene of the summer. The "O'D" Award winners, which were selected by their fellow workshop participants, were Paula Willems (best actress) and Glenn McNeil of Mundelein who won best actor for the second time in three years.

The "Mary Pearson" Award for "consistency of excellence and enthusiastic attitude throughout the entire workshop" went to Janell Settecase of Mundelein. It was also announced that Janell had become the newest Kirk Player having joined in mid-August.

The group's financial director, Jesse Becker of Mundelein, and Ann Marie McKee of Wildwood were declared "Artists In Community Theatre" and given handsome plaques in commemoration.

YWCA To Honor Women

The YWCA of Lake County will again sponsor the Women of Achievement Dinner on Oct. 9 at the Marriott Lincolnshire Resort. It is designed as a tribute to women who have shown qualities of leadership and positive attitudes toward their jobs and personal growth.

Reservations for honoring women may be purchased for \$40 each by calling the YWCA office at (312) 662-4247. Proceeds will be used to support existing programs which respond to the needs of the community. For more information, contact Sue Morris at (312) 249-0490.

Millie, John Andromidas

It's LuJons For The 'Best Steak In Town'

by GLORIA DAVIS

When father and son, Louis and John Andromidas started LuJons restaurant at 2205 N. Lewis Ave. in Waukegan six years

SPOTLIGHT

ago, they wanted to have a cozy restaurant with a relaxed atmosphere that was known for its good food, especially its steaks.

Six years later LuJons is known all over the area for "the best steaks in town."

The elder Andromidas had been in the restaurant business in North Chicago for 35 years before he and his son went into the joint venture.

The dining room that serves 150 to 175 people exudes the coziness and hospitality that the two intended because of the casual warmth manifested by the cedar decor and the many attractive plants to be found throughout the restaurant.

Open six days and nights a week, Monday through Saturday LuJons also specializes in juicy prime rib and succulent spareribs.

Their well-known banquet room that holds 125 people is available for parties, dinner meetings and receptions seven days a week.

After dinner don't forget to get go into the lounge and enjoy live entertainment. On the bill now is "The M. G. Ryan Show" featuring music from the "Top 40," and singing and dancing at its best.

Symphony Features Guest Conductors

This season the Lake Forest Symphony opens its doors to three young guest conductors for a fresh, diverse program of classical music, special concerts and world-renowned soloists.

Michael Krajewski, the season's first young

maestro, will lead the symphony in the Nov. 8 performance of Rimsky-Korsakov's "Scheherazade".

On March 7, Paul Anthony McRae picks up the baton for a varied program.

Schedule Sign-Up

Greasepaint & Spotlights' fall session begins Monday, Sept. 16. Registrations are presently being taken for the many classes in acting, singing and dancing offered at the Libertyville school.

PTO Haunted House In Need of Volunteers

by ARDEEN HARRIS
(312) 395-2761

Help! Help! Help wanted: Grass Lake PTO Haunted House will begin construction on Sept. 21 at 8 a.m. (Saturday). All able bodies who are interested in lending a hand, hammer, saw, tape measure or physical labor, please give Pat or Chris Priller a call at (312) 395-3946.

The more people helping out, the quicker it can be done. The Haunted House committee is also looking for old wigs, dark clothes and old sheets. If you have any of these items, please let Pat know or send the materials to school and mark the bag to his attention. Oct. 18 is quickly approaching and will begin the chills and thrills of the 11th Annual Grass Lake PTO Haunted House.

Fifty-one Grass Lake residents spent an exciting Labor Day weekend camping up at Blackhawk Camping Park in Wisconsin. The group was involved in mudwrestling, horse shoes, volleyball, fishing derby,

paddle boating, cards, golfing, swimming, good eating and lots of fun.

Those lucky enough to get away from the Grass Lake area and enjoy a weekend of fun were: Mike, Lorrie, Tara and Tiffany Christopoulos; Don, Judy and Marc Fechtner; Paul, Shirley, Dale, Aimee, and Jason Kitto; Steven, Sandy, Cathy and Tony Chinn; Ray, Marie, Kelly and Jenny Brausam; Bob, Darlene, Deanna, Missy and Tricia Olenick; Warren, Kathy, Mike, L.W. and Craig Regnier; Julie, Gary, Chris and Sarah Groh and friend Adam; Jamie, Tom, Tommie and James Seputis; Lynna, Don, Taylor and Lindsay Ellis; Rick, Shawn, Neil, Eric, Ryan Hansen; and Bill, Bill, Jr. and Carrie Sullivan.

Get well wishes go to Violet Dunfrund who is recuperating from a broken ankle. Violet fell in her yard and kind neighbors heard her cry for help and all pitched in. She would like to thank everyone for their

kindness and help. Get well quick Violet! Get well wishes also go to Jenny Harris who is recuperating from Salmonella. Remember the stomach flu, well in Jenny's case, it turned out to be

Lots of birthdays in September. Liz Schmehl will be celebrating another year older on Sept. 15. Sharon Brennan will be celebrating her day on Sept. 9. Sept. 20 will be Kathy Benes special

23. Mike Chinn will also be celebrating his birthday on Sept. 23. John Cole will have his special day on Sept. 24. Mary Brennan will be celebrating her day on Sept. 25. Happy Birthday to you all!

Mrs. Coia's first-grade class will be the first class to participate this year at Camp Ravenwood for swimming. Remember to

send their towels and suits on Sept. 13.

Mark your calendars for the open house scheduled at Grass Lake School on Sept. 25 at 6:30 p.m. There will be a Grass Lake PTO meeting right after the open house, so be sure to stop by the gym for the meeting and to have some coffee and treats.

Remember to call with your news!

Along the way with ANNIE MAE

It's September!!! From the inside looking out it seems to be fall at times but when you have to go into the streets it is not fall at all! Why didn't we have this in August! (the heat that is)

Speaking of being in the streets, have you walked down the sidewalks lately? All of that repair you see going on is taking care of the awful spots and holes in the sidewalks. Hopefully we won't have a bad winter so it won't have to be done for quite some time again.

Another baby—and it's a boy—born to Ken and Beth Cichon on Aug. 30 at 8 pounds, 8 ounces. He will fit right in with brothers Kenny and Thomas. Only a couple more of these guys and you will have a team!

I hear Bob and Barb Gesiakowski motored up to Milwaukee on Monday for the Polish Fest. After their little journey they found out it had ended the day before! So they went to a German Festival. (No folks, this is not a Polish joke, it happened!) I don't know, does Gesiakowski sound Polish? Guess they had fun either way!

Along the same lines—but the names have been changed (a bit), Louise Gutowski went to see Willie Nelson on Labor Day (all these things happened on Labor Day) at Poplar Creek, and guess whose autograph she came home with! Nope you didn't guess—Rick Sutcliffe of the Cubs. He was standing in the concession stand line. Of course, only at a Willie Nelson concert, Louise! Everyone looks for Rick Sutcliffe!

Belated happy birthday greetings to Mike Haley and belated anniversary greetings to Jim and Gail Fields on Sept. 7. Hope you all had a good day!

Go Sequoits!!! We're all rootin' for ya!

Ill. Cocaine Pushers Nabbed

Sheriff's officers working undercover for the past four months have made 43 cases for delivery of controlled substances involving 23 defendants.

Most of the defendants are from the Illinois area and

were arrested delivering marijuana and cocaine in and around Kenosha County bars. Some of the defendants were arrested in Wisconsin; however, eight of the defendants were picked up with the help of the Lake

County Sheriff's Officers on Aug. 21.

There are still six outstanding warrants for defendants who could not be located. Most of the cases involve the sale of cocaine.

Arrested were Mark Sprosty, 22, Lake Zurich, charged with one count of delivery of a controlled substance; Clifton Palmer, 32, Zion, charged with two counts delivery of cocaine, one count each of possession with intent, committing a felony while armed and party to a crime of delivery; Charles Mikrut, 20, Zion, charged with one count each party to delivery, possession of a sawed-off shotgun and committing a felony while armed.

Others arrested were: Brian K. Cartwright, 21, North Chicago, charged with two counts of delivering cocaine; Randal Dill, Zion, charged with one count of delivery and Vernon Johnson, 24, Mundelein, charged with one count of delivery.

Another Zion man, William Zadler, 28, was also

picked-up in a Wisconsin bar and charged with three counts of delivery; Wayne Bricco, 24, Zion, was charged with two counts of delivery; David A. Schmidt, 24, Zion, was charged with three counts of delivery of cocaine and Barb Weidman, Grayslake, 19, was charged with one delivery count.

Other Lake County residents arrested and charged were: Patricia Hink, 19, Fox Lake; John A. Ray, 22, Lake Villa; Scott S. Warmack, 22, Zion; William D. Hollen, 20, Zion, charged with one count each of delivery of cocaine and marijuana; Sidney Wright, 23, Zion, charged with two counts; Joseph Stockton, 23, Zion, charged with two counts; Robert Potter, 19, Zion, one count; Phillip Fenn, 30, Kenosha; Joseph Bradtke, 20, Kenosha, one count; Jeffrey Adams, 29, Zion, one count.

Kenosha County Sheriff Fred Ekornass declined to name the southeastern Wisconsin bars where the drug pushing was going on and the arrests were made.

Pet Of The Week

Cliff Pohleber of Twin Lakes and his two-year-old Labrador mix "Grizzly Bear" are hunting partners, although Grizzly spends more time chasing gophers than his master's prey. Grizzly can also toss and catch a dog biscuit that has been placed on his nose and walk on his hind legs. If anyone wishes to introduce their pet to Lakeland readers, send a description to the editor of this newspaper.

Parks And Recreation Offers Fall Programs

The fall schedule is out for recreational activities offered by Antioch Parks and Recreation.

Director Glenda Tomaschik said fall brochures will be distributed in the schools unlike the summer brochures, which were mailed to Antioch area homes.

If you don't have children in Antioch schools and would like a brochure, they can be picked up at the village hall at 874 Main St. For more information about the programs call the office at 395-2160.

Tumbling Dance. Classes begin the week of Sept. 18. The fee is \$16 per four-week session. Separate tumbling classes are for 3- to 5-year-olds, students from summer class and new beginners, and advanced students.

A beginning ballet, tap and jazz class is slated for 7- to 10-year-olds and an intermediate class will be for those 7 years old and up. Two ballet and tap classes will be offered, one to 5- and 6-year olds and one to 7- to 11-year olds.

A ladies ballet class will be offered if enough women are interested. Those interested can call 395-2160.

Baton

Alyce Brownlee, instructor of the 1985 national baton twirling team, will teach two classes beginning Sept. 19. Registration is \$20 per six-week session.

Beginners will practice on Thursdays at 3:30 p.m. and advanced students will follow at 4:30 p.m.

Camp Crayola

The camp will offer two sessions to 3- to 5-year-olds at the Antioch Scout House beginning Sept. 23 and Sept. 24. They are held from 9 a.m. to noon on either Mondays and Wednesdays or Tuesdays and Thursdays.

NICC Sleepover

A sleepover will be at the Northern Illinois Conservation Club property in Antioch on the weekend of Sept. 14-15. To register call 396-1035.

Horsemanship

Eppers Stables will offer a \$25 introductory five-lesson course beginning Sept. 28 to beginners and intermediate students on Wednesdays and Saturdays. Lessons begin with ages 7 and up. An adult Friday evening class will also be offered.

One will learn horsemanship, western pleasure, hunt seat equitation, English pleasure, reining and showmanship at halter.

Watch for other upcoming events offered through Parks and Recreation.

The cost is \$45 for Antioch Township residents and \$50 for those living outside the township.

Bowling

Bowling will be offered to 5- to 9-year-olds on Wednesdays beginning Oct. 16. The cost is \$16 for six weeks.

Aerobics

Aerobic classes are being held in the Old Fire Station on Monday, Wednesday and Friday mornings from 8:30 to 9:30. Call the office at 395-2160 if you are interested in an evening class.

Boys Basketball

Boys basketball will be on Tuesdays and Thursdays beginning Jan. 14 at W.C. Petty School from 6 to 8 p.m. The cost of the six-week program is \$20.

Mens Basketball

Mens basketball will begin Oct. 15 on Tuesday evenings at the Antioch Upper Grade School Gym. Starting time is 7:15.

The Pure Milk Association has adopted a new 90 percent of base payment plan for its membership. It was officially revealed Tuesday by association officials in announcing a drop in the Class 1 price paid producers for 3.5 milk from \$2.20 to \$1.75 effective Sept. 1.

Members of the Antioch American Legion Post elected Frank T. Hattrem of Antioch as Post Commander.

HYDRANTS TO BE FLUSHED

The Village of Antioch water Dept. will be flushing hydrants starting Sept. 22, 1985 during the hours of 11 p.m. and 5 a.m. Monday thru Friday. The first week the area west of Main St. will be flushed, and the second week, the area east of Main St. until complete.

Donna-Mae Litwiler

Venita McConnell

On The Campaign Trail With Venita McConnell

by STACIE ELLIS

Along with marching bands, American flags, horses and Little League teams, a 1960 fire-engine-red convertible - with two blondes and a small T-shirt-clad girl bearing "Vote For My Nanna" atop - has become notorious at Lake County parades.

Since Wauconda Village Clerk Venita L. McConnell announced on March 9 that she is running as the Republican candidate for county clerk against Donna-Mae Litwiler of Ingleside, she has been busy making such appearances at parades.

McConnell's daughter Dee-Dee Amundson, her "right arm in the campaign," and her five-year-old granddaughter Amy, usually accompany her at parades. "We have a good time, we really do," McConnell said.

Besides parades, McConnell's campaign trail covers any event where all voters are represented. "Our motto is: 'If more than five, we want to be there,'" she said.

McConnell usually attends 14 events over a weekend; she speaks at about half of them. If given the chance to speak, McConnell speaks - without a prepared speech.

"I speak from the heart, and what I know is that the story is basically the same," McConnell said.

If she doesn't speak, she mingles with the crowd to get to know the voters.

"I feel like I'm in touch with the voter," she said. "If you take the time to listen, you learn that people's concerns - although in different styles or languages -

are basically the same."

So far, McConnell has found that people have a lot to say about what they expect from the county clerk.

The office of county clerk is an expansion of McConnell's current position as Wauconda Village Clerk, which she has held for the past seven years and was re-elected for a third term in April.

McConnell's experience as village clerk has provided her with the know-how to handle the duties of county clerk.

The county clerk is responsible for handling all phases of municipal and village elections, especially the vital statistics. This responsibility involves being in charge of: voter registration; election judges - of the 390 precincts in Lake County, there are five judges (three Republicans and two Democrats) from each precinct; layout of the ballot; ballot recounts and any changes in voting names.

The county clerk is also responsible for making sure that tax levies are acceptable and that townships and districts are bona fide.

Not a voting member of the county board, the clerk is the keeper of ordinances, resolutions and minutes of board meetings. McConnell thinks of this duty as an "information-supply service."

When McConnell isn't working part-time as village clerk, she devotes full-time hours to her campaign. Her responsibilities as village clerk make her particularly aware of the position she is running for.

From McConnell's longtime involvement in the business world, she is confident that she would be able to effectively manage the county clerk office.

Venita began working in offices at age 16. She then earned a two-year business degree from the Indiana Business College in Indianapolis. She married John McConnell in 1954 and moved to Chicago in 1955.

While in Chicago, her two aspirations - community service and business - came to the forefront. She did social work for the Evangelical Child Welfare Agency (ECWA) and managed a card and gift shop.

She moved to Wauconda on Aug. 13, 1966, where she has lived ever since. Once a "city mouse," McConnell loves Wauconda. She can't quite pinpoint what she loves about the little town, but she does like the community feeling and the freedom of small town life.

McConnell has two children, Dee-Dee, 28, of Wauconda, and John, 30, of Sandy, Utah. Her family, (Continued on Page 3B)

Litwiler Confirms Race

Donna-Mae Litwiler confirmed her intention to seek the Republican nomination for Lake County Clerk in the March, 1986 primary in a formal announcement.

The two-term incumbent County Board member joined several supporters and high-ranking Republican officials to state her intentions to return to the County Clerk's office to the Republican Party.

"The county clerk's first responsibility must be to serve all of the people in Lake County. My goal is to be the most accessible public servant to hold this office."

Litwiler is a life-long Lake County resident who has been active in civic affairs her entire life. She has been active with the Girl Scouts, the YWCA, Community Youth Network, the Order of the Eastern Star and a member of the Cardiac Charities board.

No stranger to Republican politics, Donna-Mae has been a member in the past campaigns of Congressmen Robert McClary and Philip Crane and served as Lake County coordinator for Secretary of State Jim Edgar and former U.S. Sen. Charles Percy. She has played a major role in the successful elections of State Representative Betty Lou Reed, Coroner Barbara Richardson, Sheriff Robert "Mickey" Babcox and State's Atty. Fred Foreman. She has served as secretary and vice chairman

of the Lake County Republican Central Committee and as a precinct committeeman since 1973. Since her election to the County Board in 1980, she has served under two County Board Chairmen on the Law and Judicial and Finance Committees. "My experiences at all levels of elective politics in Lake County have shown me how sacred the electoral process is to my constituents. I have carefully prepared myself for this important office in my desire to represent the citizens of Lake County for many years to come. My goals are simple: Hard work and good government."

Litwiler discussed her plans for the County Clerk's office. In addition to her pledge to be personally accessible to all the people, her plans include the following:

To provide to the voters of Lake County the most professional County Clerk's Office in the State of Illinois, if not the country.

To professionalize the staff and work closely with all of the integrated county offices to eliminate conflict and initiate cooperation.

To be a visible, viable, hard-working officeholder.

"The office of county clerk is hard work and I will work hard," Litwiler said. "I will wage a positive campaign geared to the issues that concern all people. I will not attack people. I will attack issues. I will work with all of those persons in county

government to ensure the competent administration of the electoral process and vital statistics and every function maintained by the County Clerk."

Donna-Mae Litwiler resides in Ingleside with David, her husband of 25 years, her daughter, Leslie, a student at Barat College in Lake Forest, and her son, David, an eighth grader at Gavin Grade School in Long Lake.

Women To Meet

Two perspectives on the 1985 State Education Reform Package will be presented at the meeting of the National Women's Political Caucus-Lake County on Tuesday, Sept. 17, at 7:30 p.m., in the Libertyville Township Hall, 350 Merrill Court, Libertyville.

Guest speakers will be Heidi Biederman, associate director of Government Relations, Illinois Assn. of School Boards, and Dan Burkhalter, Illinois Education Assn. lobbyist.

Among the issues to be covered are teacher performance, accountability through student testing, curriculum reform, new revenue sources and mandate compromises.

All Lake County residents are invited. For further information, call (312) 432-5612.

Forget Bonding Objections

Debate over the no-referendum plan to rebuild fire-damaged Warren High School is getting especially shrill and acrimonious. Bitterness probably will spill over to the Nov. 5 school board election, resulting in an election that will do credit to no one.

Members of the school board are under fire from critics because they have decided to take advantage of an interpretation of the state's school life-safety statutes to use \$18.6 million from state-issued bonds and insurance money to replace the school. A total of \$15.2 million will come from bonds to be sold without authorization of a referendum. School officials decided to take the no-referendum bond route because voters rejected a proposal to issue \$17.6 million in bonds by a count of 3,759 to 2,767.

While we ordinarily don't support non-referendum funding public projects, we believe school officials are doing the only sensible thing they could do under the circumstances. Rebuilding a school destroyed by fire obviously isn't an ordinary circumstance. The citizens already have had an opportunity to speak out on rebuilding plans. There is no reason to believe that another

referendum would produce an affirmative result. By taking extra time to allow for further debate, school board members merely would be adding to the cost of temporary housing and construction increases.

The argument that citizens are being disenfranchised by the decision to issue bonds without referendum flies against history and state law. Precedent is on the side of the school board. When safety and the public welfare is at stake, time and time again the courts have held that it is fitting and proper for the state to step in and provide for funding that has not been provided through normal channels, in this case by virtue of a referendum approved by a majority of the voters. So further recourse of objectors through the courts will be to no avail.

Objectors to the life-safety funding approach would be better advised to direct their efforts to making sure that the money is well spent and that their rebuilt school will be able to provide for the best possible education for children of the community. This way they will be accomplishing something worthwhile.

On Crane's Candidacy

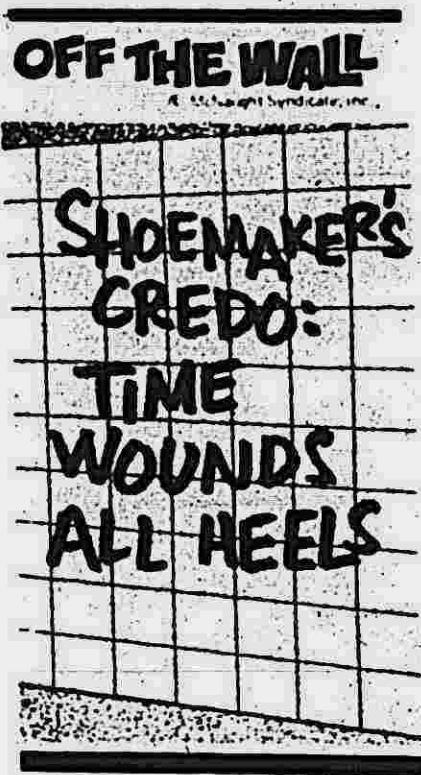

If Congressman Phillip Crane decides to run for the U.S. Senate in 1986 - and is elected - our loss in the 12th District he represents will be Illinois' gain. The Republican from Mt. Prospect would serve with distinction in the Senate, just as he has done in the House of Representatives.

Crane is the first Republican, in our opinion, mentioned as a possible candidate for the GOP nomination, who would have a fighting chance against the incumbent U.S. senator, Alan Dixon, the popular Democrat and one of the most prolific vote getters in Illinois history.

With his well known conservatism and all around good sense, Crane would provide voters with an excellent choice. In a match-up against Crane, downstater Dixon would have to pull out all the stops.

What boils down to the key question in the mind of Crane and his aides is the availability of money to launch an all-out campaign against Dixon who was elevated to the Senate in 1980 in an easy win with 56 percent of the vote. Crane, who has national name recognition from his bid for the presidential nomination in 1980, should have no trouble in attracting contributions from all over the nation from Republican partisans and conservatives who would like to see him address issues from a platform in the U.S. Senate.

Crane had our support then and he'll have it again. He has the right combination of ability and stamina to restore Illinois bipartisan balance in the U.S. Senate now that Democrat Paul Simon has replaced Charles Percy. Phil Crane would make a great senator.

Coles Looking To Future, Seat On CLC Board

by BILL SCHROEDER

Can voters forgive and forget? And if they can't forget, can they forgive?

With Ron Coles on the ballot, these ringing questions are sure to be at issue in the Nov. 5 election for College of Lake County trustee.

Once the most powerful political figure in Lake County when he served as chairman of the Lake County Board, Coles took the 10 count when he was found guilty on a charge of extortion in federal court in connection with his duties as county liquor commissioner.

"Yes, I'm a convicted felon and I know all that stuff will come up again. But I paid my debt. Why am I running? Because I feel I can make a contribution. I know CLC and I love the college, but there are things going on that I don't like and there are things that I think I can change for the better," Coles declared.

Vintage Ron Coles. One thing about the former Lake Villa supervisor and county political leader, there's no doubt about where he stands.

The felony rap hangs over the curly-haired ex-police chief like a pall. Coles admits he asked for that stigma when he refused to enter into a plea bargaining arrangement which would have resulted in accepting guilt to a lesser charge. "I didn't do anything that other politicians do all the time - accept money for political purposes that is offered voluntarily. I still feel the whole thing was political and unfair."

Now operator of several successful businesses, Coles can speak of the nightmarish trial without bitterness. He sees vindication in the fact that both the judge and prosecutor spoke warmly of him after the trial. He finds comfort in the fact that Gov. James Thompson, who led the crusade against corruption in public office, subsequently signed into law a bill that would have prevented charges being brought against Coles, who was sunk on a narrow interpretation of the statutes involving holders of liquor licenses making political contribution. For the record, Coles was granted probation, which later was tempered.

Driven by community service motives and intensely interested in public affairs, Coles took his punishment by involving himself in business and studying. That's how he became closely involved with CLC, studying real estate courses and horticulture.

"I guess I'm able to look at CLC from a variety of viewpoints, like the student and the local businessman. I think the college sometimes forgets about these people. It's so big. There's so much red tape. College officials tend to forget why the school was created."

The trustee aspirant related a personal experience to illustrate his feeling. During recent registration for the fall term, the college bookstore closed for an hour at 4 p.m., leaving scores of students, most of them holding day jobs, confused and angry. "Closing the bookstore at registration time just didn't make sense. That's what I mean about students being forgotten sometimes."

Coles is looking forward to the CLC campaign with relish. He's also excited about his recent appointment as a non-paid trustee of the Lake Villa Fire Protection Dist. "One thing I won't ever do again is run for paid office," he stated as an afterthought.

His controversial past is purposefully hazy. Asked about his years as county chairman, Ron replies candidly, "I honestly can't remember the dates. I know I served three and a half years." Now his thoughts are of his wife, who also is a business partner, and family members, like his newlywed son, who is studying to become a certified accountant, another son, who is a Marine Corps lieutenant, and winning election to the CLC board.

No doubt about it, Ron Coles is offering voters a lot of experience, determination and dedication. Will they accept him?

FOINE FELLOW!—Dennis O'Sullivan, a laddy from Ingleside, won first place in the Leprechaun contest held in conjunction with Milwaukee's summer Irishfest, we're happy to report. He joins the young Gurnee lady we wrote about not long ago who captured a prize in the redhead contest. Nice going, Denny!

ONE MAN'S FAMILY—The frantic pace in our household returned momentarily over the weekend when Jill and Karen sojourned from the campus. Freshman Karen professed not to be homesick, but mom and pop aren't sure. It was great to have the entire brood under one roof—if only for the weekend.

Letters To The Editor

Should Resign

Editor:

I am outraged by the deplorable action of the Warren High school board. After the voters of WTHS district voted no to a \$17.6 million dollar bond issue they have found a loop hole to raise \$14 million without facing responsibility of developing a program and selling it to the community.

The board shows savings of \$5 million dollars from schemes A to C but to do this you are paying higher architectural fees - \$1,065,000 on a \$24 million school to \$1,135,000 on an \$18 million school, reducing the space from 325,000 square feet to 265,000 square feet; and after all the heated discussion on school enrollment you are now going with a school for 1,700 students instead of the 2,000 even though the old school was rated for 1800.

Where will they get the additional \$5 million dollars over the \$14 million dollar bond issue that was scaled down for an over-priced white elephant?

Based on the actions for the past 10 to 15 years and an arrogant attitude toward the community, the board should resign along with Dr. Rundio before causing more damage to your students and the community.

No Means Nothing

Editor:

When I was young and being educated in the Waukegan Public School System, with our beloved principal, Gertrude Carmen, I was told that St. Patrick drove all the snakes out of Ireland. Why did they all have to come

to Gurnee and be on the Warren Township school board? The school referendum was defeated by approximately 1,000 votes. That included many senior citizens who cannot afford an increase in taxes. Many do not have cable tv which the school board said was the equivalent to their tax increase or approximately \$8 per month.

The Warren school board was devious enough as the snakes I talked about to get the school building going again without the benefit of another referendum in which the seniors would certainly vote against including the many people who also voted "No" previously.

I urge all seniors to elect to the school board, members of the fact-finding committee, Jan Brennan, John Nosch, Robert Kofler and Esper Peterson, and hope to weed out some of the devious, scheming elements on the school board now.

More On Murphy—Last Of Rare Politico Line

by JOHN STEINKE

This summer, W. J. Murphy gave me his legislative files, a scrapbook, newspaper clippings and political memorabilia. Bill Murphy was Lake County's legendary state legislator for 18 years. During that time he served in major leadership roles in the Illinois General Assembly, including majority leader and majority whip. In 1964, he was considered a potential candidate for governor. The Chicago press tagged him with the nickname "Bingo Bill" because he led the fight to legalize bingo in Illinois. Murphy's legislative career ended in 1974 when he was defeated for renomination in the Republican primary.

Steinke On Politics

He remained active in Lake County politics serving as Republican chairman from 1974-1976. On May 4, 1982, the Chicago Tribune editorialized, "In Lake County, the (Republican) leadership remains mired in a 'good ol' boys' image fostered by the private duck club (Canvasback Club) headed by former GOP chairman 'Bingo Bill' Murphy, where judges, elected officials and party leaders gathered to decide party business."

"Murph" phased out his residency in Leisure Village, Fox Lake, this summer to concentrate on his extensive business interests in the Wisconsin Dells area. Since he was departing Lake County, Murphy furnished me with his political materials. My basement has been transformed into the W.J. Murphy Memorial Library. When I collected these documents from W.J., I said, "Murph, don't you want to donate this stuff to a college library or a historical museum?" He replied, "John, you're the only person that I would trust with my files." Then, I asked, "Murph, may I use your files for my column or a book-length study of Lake County politics?" Murphy responded, "John I know that you will use my personal files in a responsible fashion. Just don't hurt anybody."

For weeks now, I have been organizing the mountains of files that "Murph" supplied me. By reviewing the material, I have been able to reconstruct his philosophy of government and politics. Perhaps, you can apply Murphy's standards to assess your present state legislator's performance in the Illinois General Assembly. Here is Murphy's definition of an effective legislator: "It has always been my theory that the mark of being a good Legislator was not necessarily shown by the number of bills introduced. Instead the skill of a Legislator is determined in actuality by his ability to kill bad legislation, to maneuver to pass good legislation—to be able to handle himself in committee and to know the skills of being a good parliamentarian."

"Bingo Bill" also stressed the necessity of constituent service. He wrote, "My first responsibility is to the voters of my district. My second obligation is to the people of Illinois. My third responsibility is to the Republican party." Murphy emphasized that the electability of state legislators depends upon effective constituent service.

"Murph" commented on the relationship between the press and elected officials. The Chicago media always castigated Murphy's legislative performance. The Chicago Daily News claimed that Murphy was "Syndicate connected." The Chicago Sun-Times characterized him as the "Worst Legislator on the Floor." The Chicago Tribune called Murphy "A Disgrace to the House." He always accepted newspaper criticism with good grace. On May 1, 1974, "Murph" stated, "As state representative over the span of the last 20 years, I have felt that I was fair game for the news media; consequently I accepted what they wrote, even though it was sometimes false and malicious."

Throughout his colorful career, W.J. always retained his sense of humor. On August 21, 1973, Murphy corresponded these observations to a Florida friend: "The only thing I know is that I am still strong, healthy and extremely handsome at my age of 58. I will probably still be brawling in the taverns when I am in the nineties and I am still fearful Virginia will have four or five more kids, if I am not careful."

When God made Bill Murphy, he threw the mold away.

Explains Function

Ray Snider (center) and Will Poulter (right), instructors at the Lake County Area Vocational Center in Grayslake, participated in a week-long training program at Abbott Laboratories in August. Here, Dave Kent, manager of Abbott's corporate equipment development shop, explains the function of a computer-controlled milling machine. Snider, a resident of Lindenhurst, and Poulter, a resident of Trevor, Wis., were among five vocational teachers who observed practical applications of shop technology at Abbott through a program coordinated by the Lake County Area Vocational Center and Northern Illinois University.

On The Campaign Trail

(Continued from Page 1B) especially her husband, has been her backbone in this campaign. Her number one mascot is her granddaughter Amy.

Upon retirement in 1984, Venita was a corporate officer for Reliance Glassworks in Bensenville, Ill. She became involved in Wauconda village elections 10 years ago and has been involved in the Republican Party, both as a worker and a campaign manager, for 30 years.

"I'm a Republican and very proud of it, but that's secondary," McConnell said. "Politics has nothing to do with my running for this office."

"Having been village clerk for seven years and having this firm belief in being of service to the community," she said, "I want to serve all Lake County - I want to do this job."

McConnell is confident that she would be able to do the job well by combining the best of the government world with the best of the business world.

"My background is my ability to bring people together, working as a team," McConnell said.

"Having had a broad training in the business world and knowing the mechanics of an office has got to be of help because this means you can talk one-on-one with people who work in that office," she said.

Because voting has always been "precious" to Venita McConnell, and because she

wishes to be of service to the community, the position of county clerk is her irresistible goal.

"In life, there are certain things you feel you have to do," Venita said. "Maybe it's the challenge... Well, I've thought about it for a long time, and this is one thing I have to do."

Besides being a philanthropic opportunity, Venita said she wouldn't have missed running in this campaign for anything in the world.

"Running for a county-wide office, is without a doubt, the most unusual experience of my life," she said. "It ranges from being

terrifying to being fantastic."

So far, Venita has met a lot of interesting people and has become well acquainted with the people of Lake County.

"Besides my family, this has been the greatest experience of my life," Venita said.

The first fundraiser for McConnell's campaign will be given by the Wauconda Township Republican Club at the end of September. It will be held at Al Kaya's Hong Chow in Island Lake.

Funds from this event will go toward the \$45,000 needed to make it through the primary election in March of '86. The final election will be in November of '86.

Health Dept. Accepts More

The Lake County Health Dept. Nursing Division's Women, Infant, and Children's Food Program (WIC), which provides supplemental foods and nutrition counseling, has announced that it can accept an additional 400 pregnant women into the program.

Low-income families receive supplemental foods, which include milk, cheese,

eggs, cereal and formula if they meet the other eligibility requirements for the WIC program.

"By providing supplemental, nutritious foods to pregnant women, we help lower the risks of pregnancy due to inadequate diet, said Steven R. Patsic, M.D., M.P.H., Executive Director of the Lake County Health Department.

The use of HCG in a weight reduction program was originally researched and developed by Dr. A.T.W. Simeons of Rome, Italy over 30 years ago. Since Dr. Simeons' early work, HCG has been prescribed in Europe for weight reduction in both men and women. The program has been successfully used in the U.S. for the last 15 years.

Indications: HCG is not approved by FDA as safe and effective for weight control. There is no substantial evidence that it increases weight loss beyond that resulting from caloric restriction, that it causes a more attractive "normal" distribution of fat, or that it decreases the hunger and discomfort associated with caloric restricted diets.

EYEWEAR, NO LONGER A NECESSITY?

EYE SURGERY WHICH TAKES PLACE WHILE THE PATIENT SNOOZES IN AN OUTPATIENT CENTER NOW OFFERS THE REALISTIC HOPE OF REMOVING EYEGGLASS DEPENDENCY FOR MANY WHO ARE UNCOMFORTABLE WITH CONTACT LENSES OR WHO SEEK FREEDOM FROM EYEWEAR FOR PERSONAL OR PROFESSIONAL REASONS.

THESE SURGICAL TECHNIQUES, FIRST USED IN THE U.S.S.R. AND IN COLUMBIA, CAUSE BETTER FOCUSING OF LIGHT WITHIN THE EYE BY RESHAPING THE CORNEAL WINDOW.

IN THE SOVIET TECHNIQUE (FYODOROV), CALLED RADIAL KERATOTOMY, HALF MILLIMETER-DEEP RADIAL CUTS GOING FROM THE PUPIL'S EDGE TOWARD THE WHITE PARTS ALLOW A NATURAL FLATTENING EFFECT ON THE CENTRAL CORNEA TO OCCUR.

REFINED IN THE U.S.S.R. SINCE 1973 AND IN THE UNITED STATES SINCE 1978, MORE THAN 100,000 KERATOTOMIES HAVE BEEN PERFORMED WORLD-WIDE.

SEVERAL U.S. STUDIES HAVE RECONFIRMED ITS SAFETY AND HIGH EFFECTIVENESS, THOUGH SOME RARE, SERIOUS COMPLICATIONS HAVE OCCURRED.

KERATOTOMY CORRECTS NEARSIGHTEDNESS AND ASTIGMATISM.

IN THE COLUMBIAN TECHNIQUE (BARRAQUER), THE SURGEON USES HIGH-TECH EQUIPMENT TO REMOVE A QUARTER-MILLIMETER-THICK CONTACT LENS-SHAPED WAFER FROM THE FRONT EYE WALL.

THIS PROCEDURE, WHICH HAS A 25 YEAR TRACT RECORD, CORRECTS FARSIGHTEDNESS AS WELL AS NEARSIGHTEDNESS BEYOND THE RANGE OF KERATOTOMY.

Sue Warndorf, Combined Services Supervisor, coordinates the efficient operation of Skokie Federal's VISA/MasterCard department.

"It's outrageous to pay 19.8% interest on a credit card...yet so many people do. Unfortunately, most people aren't aware that they have another choice. At Skokie Federal, for example, we charge 18% interest and \$15 per year for a VISA or MasterCard. Citicorp, First National Bank of Chicago and Harris Bank all charge 19.8% interest and \$20 per year for a similar card. The choice in this case seems obvious...and in most other cases, too. Skokie Federal has among the lowest finance charges and annual fees offered anywhere.

"It's no wonder my staff and I are kept so busy. The number of customers we have keeps growing every day. Part of our success, too, is the personal attention and service we provide. At the downtown

banks there's frequently a long wait on the phone just to find someone who'll answer a billing question. Our customers know just who to call. They can be assured that their questions will be answered promptly by someone who is familiar with their account.

"I'm proud to be a part of the VISA/MasterCard team at Skokie Federal. I don't think there's a better credit card service around."

Survey Details Work Needed At Brae Loch

Lake County Forest Preserve Commissioners are studying a report on rehabilitation of Brae Loch Country Club that ranges from a high \$2.1 million to a low of \$1.2 million.

The report, prepared by Robert M. Williams, was turned over to Donald Morrison, attorney for the land acquisition committee of the forest preserve dist.

Williams is a golf course consultant with offices in Lake Forest.

Acquisition of Brae Loch is a long-standing issue before the forest preserve dist. and generally regarded a political hot potato.

On the low side, Williams' major needs included resurfacing of all the greens, installation of a water system and purchase of \$300,000 worth of new equipment to put the half-century-old mid-county layout into what he called a "level of pleasant recreation."

The consultant's high side included more expensive green resurfacing and watering facilities, more equipment and additional grounds structures.

Commissioner Jim Fields of Antioch, chairman of the land acquisition committee, termed the study "revealing." Fields consistently has opposed acquisition of the course and 58 acres of adjacent vacant land.

Williams recommends taking the course out of play for one year to make necessary improvements.

The report did not cover the club house fronting on Rte. 45, Gages Lake.

Fields told Lakeland Newspapers that Brae Loch still is a "live" proposition.

"Personally, I can see the county purchasing the Brae Loch course at the right price, but I am opposed to purchasing the vacant land," Fields declared.

Fields said his view on separating the playing area from the vacant land coincides with Commissioner Fred Popp of Lake Villa, who also is a member of the land acquisition committee.

Trying Again

This sign may yet become county property as the issue of acquisition comes before the Lake County Forest Preserve Dist. at a special meeting at 10 a.m. Friday, Sept. 13, calling by President Donald Strenger. Official meeting call is on a motion to discharge the land acquisition committee from further consideration and act on purchase of the 158 acre Brae Loch Country Club. Strenger reportedly has promised not to veto the purchase if approved by a majority of commissioners as he did last May.

Market Lends To Opportunity

A farmers' growers' and gardeners' market at the Lake County Museum on Sunday, Sept. 22, from 11 a.m. to 4 p.m. will give local growers an opportunity to sell their produce.

Herbs, fresh and dried flowers, as well as fruits and vegetables or any other locally grown items are welcome.

This event, sponsored by the Lake County Museum Assn. Gift Shop, will be held in conjunction with the 13th

annual Fall Festival of Pioneer Crafts.

The registration fee is \$15 per space and registration must be made in advance by sending a check for \$15 payable to the LCMA Gift Shop to the Lake County Museum, Lakewood Forest Preserve, Wauconda or by calling the Museum at (312) 526-7878.

The Museum is located in Lakewood Forest Preserve on Rte. 176 and Fairfield Rd., east of Wauconda.

Deaths Increase

The Superintendent of Illinois State Police Laimutis A. Nargelenas, has announced the latest provisional figures which indicate that during the month of August 128 persons died from injuries sustained from traffic accidents on Illinois streets and highways.

State Police, Dist. 2, which covers Lake, McHenry, DeKalb, Kane and DuPage Counties, reports 171 persons have been killed in these counties since Jan. 1. One hundred and forty three persons were killed during the same period in 1984 in these counties.

A breakdown of the counties for statistics in August shows Lake County, three fatalities; McHenry County had two fatalities; DuPage County had nine fatalities; Kane County had six fatalities and DeKalb County no fatalities.

There have been 997 persons killed in the entire state in 1985.

CLC Ballot 'All West'

On Wednesday, Sept. 4, there was a lottery drawing between Ron Coles and Dorothy Harnish to determine their ballot positions for the College of Lake County board of trustees election.

The drawing was necessitated because both candidates filed simultaneously at 5 p.m. on Monday, Aug. 26. That was the final date to present nomination petitions for school board aspirants.

Mrs. Harnish won the lottery for the last ballot position among the five candidates seeking three positions on the CLC Board in the Nov. 5 elections. The ballot order of the five candidates will be: Melody Brown of Round Lake Beach, Richard Anderson of Grayslake, F. James Lumber of Round Lake, Ron Coles of Lake Villa and Dorothy Harnish of Grayslake.

Both Anderson and Lumber are longtime incumbents. Both Brown and Harnish are first-time candidates for public office. Ron Coles is a prominent Lake County politician. He is former Lake County Board chairman and former Lake Villa Twp. supervisor.

All five nominees are from western Lake County. Neither Waukegan nor southern Lake County has a candidate on the ballot for CLC trustee. Incumbent CLC trustee Eleanor Rostrom of Waukegan decided not to seek reelection. Presently, she is a Republican member of the Lake County Board.

The college trustees are elected to serve six-year terms. The holdover members include Richard Bryan, Millicent Berliant, Nan Fairhurst and Nancy Block. The seven CLC trustees are the only school board members, who are elected on a countywide basis.

Tell New Venita Fan

Wauconda Village Clerk Venita McConnell has picked up the support of Round Lake Heights Clerk Joan Hendricks in her campaign for the Republican nomination for Lake County Clerk in next year's elections.

Hendricks contends, "I feel with Venita's experience as village clerk for seven years and in executive management for 16 years qualifies her for the position of Lake County Clerk. Venita has a warm personality and a true concern and dedication for the people of Lake County."

Hendricks has been Round Lake Heights Village Clerk for the past five years. Presently, she is the treasurer of the Lake County Municipal Clerk's Assn. She

is affiliated with the Municipal Clerks of Illinois and the International Institute of Municipal Clerks. Hendricks is also an active member of the Avon Twp. Republicans Club.

Both Venita McConnell and Dist. 4 County Board Rep. Donna-Mae Litwiler of Ingleside are seeking the GOP nomination. Sheriff Robert H. "Mickey" Babcox

is sponsoring Litwiler's candidacy. However, McConnell has generated massive support from other party leaders and GOP officeholders.

Whichever candidate wins the nomination will run against Democratic County Clerk Linda Hess in the Nov. 1986 elections. Currently, Hess is the only Democrat holding countywide office.

Artist To Perform

The College of Lake County Music Dept. will present innovative keyboard artist Larry Hulina, Sept. 18, at 7:30 p.m., in Building Five on the Grayslake campus.

Hulina will present the newest educational trends in performance and aids for the music student. Hulina will

demonstrate acoustic, electronic and computer keyboards in his two-hour performance.

The presentation is free and open to all music students and the public. Call (312) 223-6601, ext. 569 for more information.

Panthers, Warhawks Look For First Win

by MIKE PRAMSHAFFER

The Round Lake Panthers and the North Chicago Warhawks will both be going for their first wins this weekend.

The Panthers open Northwest Suburban Conference play against the Grant Bulldogs on Friday, Sept. 13, at 7:30 p.m., at Grant.

Round Lake has lost its first two games, 12-0 to Elmwood Park and 18-16 to Dundee-Crown, while Grant is 1-1, losing its opener to Ridgewood and winning last week over McHenry 24-14.

The Panthers played well last week against Dundee-Crown but didn't put enough points on the board to win.

They were trailing 18-10 in the fourth quarter but came back to score a touchdown and almost kick the winning field goal.

The field goal attempt, which was blocked, came with three seconds remaining in regulation play.

One of Round Lake's touchdowns came on a 70-yard pass play from junior Walter Tesch to Dave Kaempf and the other on a two-yard run by Tesch.

Tesch completed seven of 13 passes and Kaempf caught five of those passes for 118 yards.

Troy Haines led the Panthers in rushing with 63 yards on 16 attempts.

The Warhawks on the other hand, have already played two conference games.

Their opener against Warren wasn't too successful as they lost 27-0. Their second game was much better as they almost defeated Fenton.

North Chicago lost to the Bison by a score of 22-18. The Warhawks led at the half 12-9 and at the end of the third quarter 18-9, but couldn't hold on as they gave up 13 points in the final quarter to lose by four.

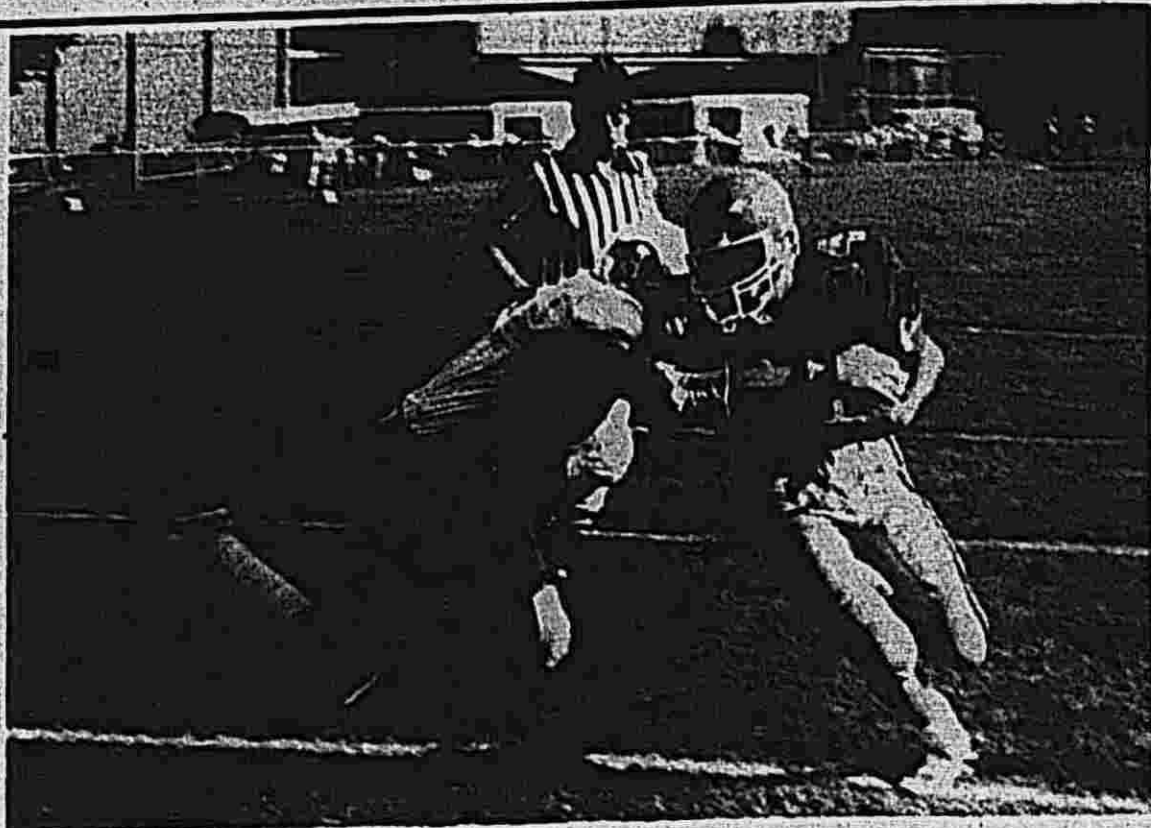

They will try to get their first conference win when they face Zion-Benton away on Sept. 14, at 2 p.m.

The ZeeBees are 1-1 in conference play but are coming off a loss to Libertyville.

Against Fenton, the Warhawks were leading 18-16 and, according to the scoreboard clock, which is unofficial, there was no time left.

However, according to an official's clock, there were three seconds remaining. Fenton then attempted a field goal and missed. But the Warhawks were penalized for having only 10 men on the field.

That gave the Bison one more play with no time remaining. They faked the field goal and scored on a 14-yard pass from Fred Brown to Mike Olivera, making the final score 22-18 in their favor.

Stripping It Loose

Sequoits Priming Up For Libertyville Game

by GLORIA DAVIS

The Antioch Varsity Football Team is expecting to face a tough opponent when they come up against the Libertyville Wildcats on Saturday, Sept. 14, at Libertyville.

"They are a talented team with a strong defense that shut Zion out last weekend," said Sequoit Coach Steve Wapon.

"One of our biggest problems will be to stop their defense from moving the ball," added Wapon, fresh from his 36-17 win over the Lake Forest Scouts on Sept. 7.

Pat Bruks, who took the ball one-yard for a touchdown in the first quarter, and kicker Don Gunther were responsible for putting Antioch's first seven points on the scoreboard in the first quarter.

Bruks did it again a little later in the same quarter, this time running 17 yards for the TD. Gunther's kick was no good.

Sequit quarterback Mike DoBosh tossed a good 15-yard pass to Gunther in the second period but Antioch missed the point after kick.

The quarter ended with a spectacular 85-yard kickoff return by James Zoepfel who went all the way for Antioch's fourth score.

Kicker Brian Pankauskas put it through the goal posts with 3:51 left in the third quarter for a successful 36-yard kick.

Sequit Dave Wick went 21 yards for Antioch's final score in the fourth and this time Gunther's point after kick was a good one.

The Sequoits' leading rushers were Bruks who gained 93 yards in 21 carries; Wick who gained 33 yards in four carries and John Payne who moved the ball 12 yards in four carries.

Do Bosh was six for 16 for 92 yards and one TD.

Antioch's receivers had a good day: Chris Haley caught two for a 23 yard gain; Bob Visee also held on to two for the same forward thrust.

Gunther gained 46 yards with two grabs.

Wapon attributes the win to the hard work the Sequoits have put into their defense since losing the season opener to Mundelein.

"Overall we really played a solid game defensively," he said.

Two interceptions by Tom Homan and John Weirschen and a fumble recovery made by Sean Tuley plus the excellent work done by tacklers Mack Majewski, Bob Johnson and Bob Cord were major defensive forces in Antioch's win.

Blue Devils Lose, Face Fenton Away

Early season mistakes seem to be the underlying cause for the 14-7 loss the Warren Twp. Blue Devils had playing against Niles North on Sept. 6.

"We had some mistakes which usually occur in the first game of the season," Coach Reggie Hughes said. "We had wrong formations, interceptions and fumbles on the kickoff."

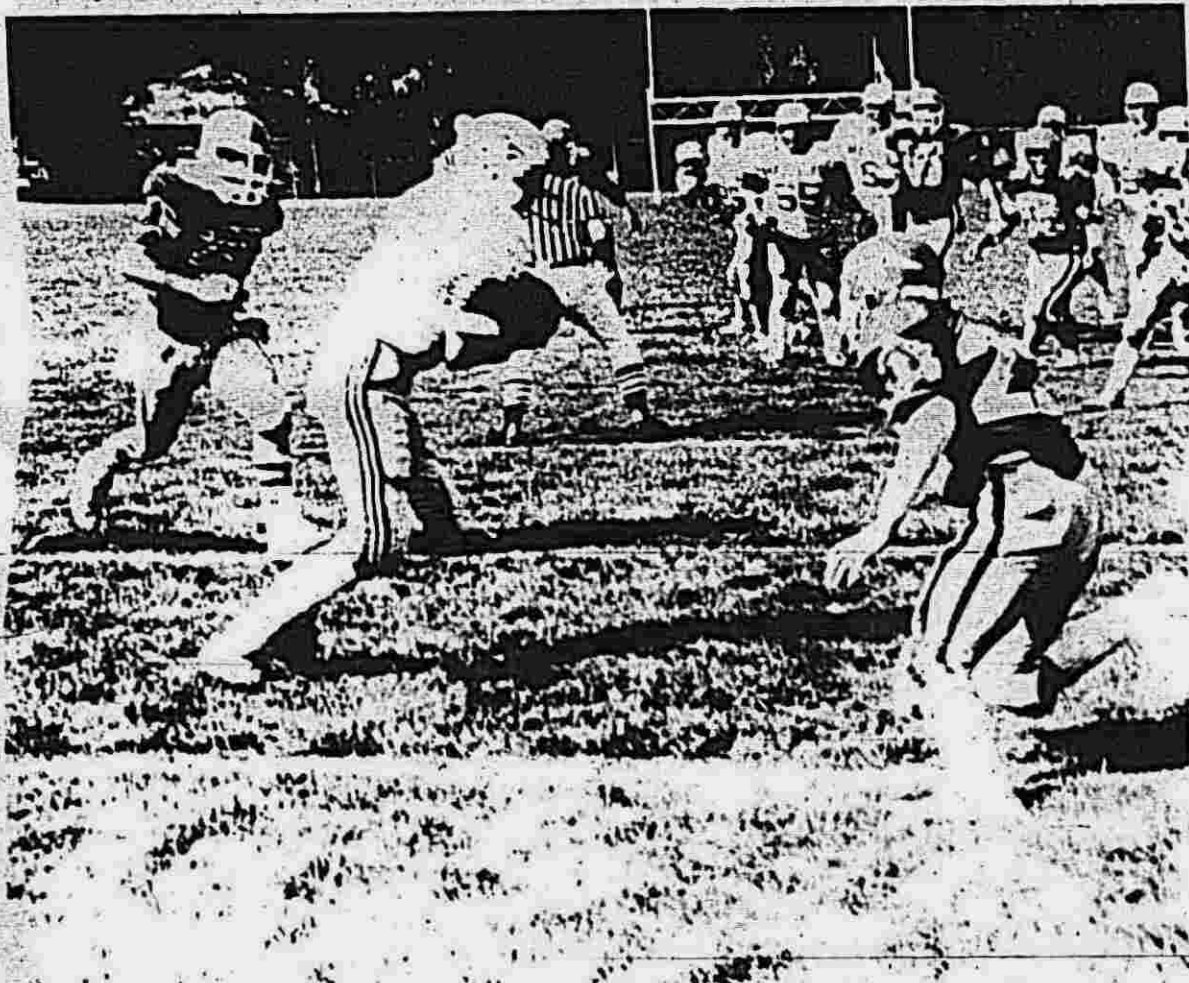

"These mistakes are not to be unexpected for such an inexperienced team," Hughes added. "We hope we won't make these mistakes

very often.

Losing 14-0 in the fourth quarter, the Blue Devils began to work offensively moving to the air.

Passes to tight end Matt Ditka and wide receiver Brian Jarrell brought Warren to Niles North 24 yard line. Jarrell then caught a pass to score.

The Blue Devils will face Fenton at 2 p.m. on Saturday, Sept. 14. "Playing Fenton in Bensonville is always tough. They're a tough team at home," Hughes said.

Look To Stop Niles

by DONNA DUNCAN

Mundelein varsity boys football team will try to carry out the same aggressive playing ability, exhibited in the second half of the game against Stevenson, when it faces Niles North on Saturday, Sept. 14 at home.

Mundelein lost 17-6 to Stevenson Sept. 7 in a game where the Patriots came in with bigger, faster and stronger players.

"They physically beat us

up in the first half," Head Coach Gary Heifner said. "They slowed down in the second half and we picked up momentum," he added.

"It was not poor playing — just that an excellent team overpowered us," Heifner said.

The Mustangs shown through the second half by taking a kick-off. A bright spot of the Mustangs' offense was the passing by quarterback Mike Lech, who completed 10 of 22 attempts for 135 yards and one touchdown. Also, junior starter Jeff Geary was credited for his performance as a receiver and kick returner and defensive halfback.

Looking at Niles North, Heifner said they are the surprise of the conference after beating Warren last week.

Mundelein sophomores, who lost to Stevenson 7-6, will hope for a victory over Niles North at noon on Sept. 14.

Wauconda Loses 35-0, Hopes To Come Back

by DONNA DUNCAN

After suffering a disappointing loss to Jacobs on Sept. 7, the Wauconda Bulldogs will try to stop Johnsbury on Saturday, Sept. 14.

Wauconda could not stop the running of Jacobs last week, who plowed past them with a score of 35-0.

"It was disappointing because the heat seemed to affect us more than it did them," Head Coach Fred Loffredo said, referring to

the steamy high 90-degree temperatures that day.

"We seemed to have been prepared but we were not physically ready," he said.

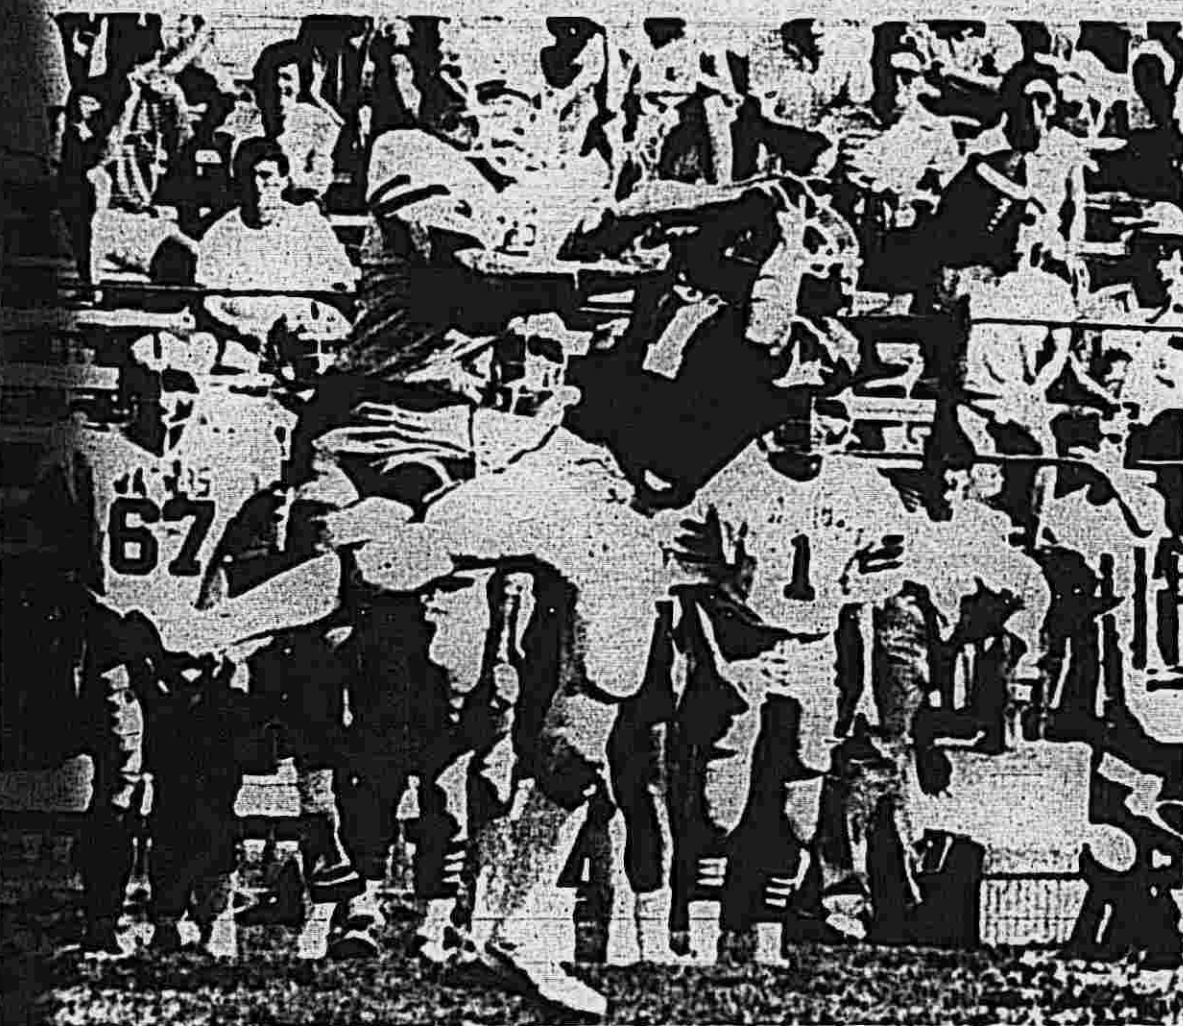

Standing out as leading tackle of the day for the Bulldogs was Norm Niemo. Also, Ray Terrian was credited for intercepting the opponents' pass and Rob Haefke, for running 72 yards.

Loffredo has a more confident attitude about going into the game against

Johnsbury. "We're going to match up evenly with Johnsbury. We hope to bounce back."

In practice this week, the Bulldogs will work on execution and getting off the ball.

The young Wauconda sophomores, were unable to get any points on the board in the 35-0 game against Jacobs last week. Loffredo said the players, which are mostly freshmen, are in a learning stage.

Carmel To Polish Skills For Conference Opener

by DONNA DUNCAN

Carmel Corsairs varsity football team will play its first conference game of the season against rival St. Viator's on Friday, Sept. 13 in Arlington Heights.

The team will try to put past games behind and step in with a fresh outlook in stopping the Lions.

Both teams have a record of 1-1 now, Head Coach Jim Rejc expects a lot of competition. "We have to be healed and mentally prepared. We have to perfect what we have," he said. Although the Corsairs lost to Woodstock 10-7 last week, Rejc said the Corsairs will not change their game plan and will just play the same way as in the past two games.

With Woodstock, "it was an exceptionally close game all the way," Rejc said. The Lions scored a field goal in the first quarter, both teams scored a touchdown in the second quarter and neither team scored in the second half.

The game ended with Carmel at the 20-yard line. The Corsairs moved the ball

40 or 50 yards and came up a little short, Rejc said. "We had opportunities we didn't take advantage of."

The Corsairs did not sit idle but ran at least 40 plays during the game, Rejc said.

Skyhawks Lose 22-21 In Closing Minutes

by KAREN WILTBERGER

The Skyhawks up 21-0 late into the third quarter lost their home opener to Nazareth Academy 22-21. Four out of their last five possessions resulted in either fumbles or interceptions, contributing heavily to the loss.

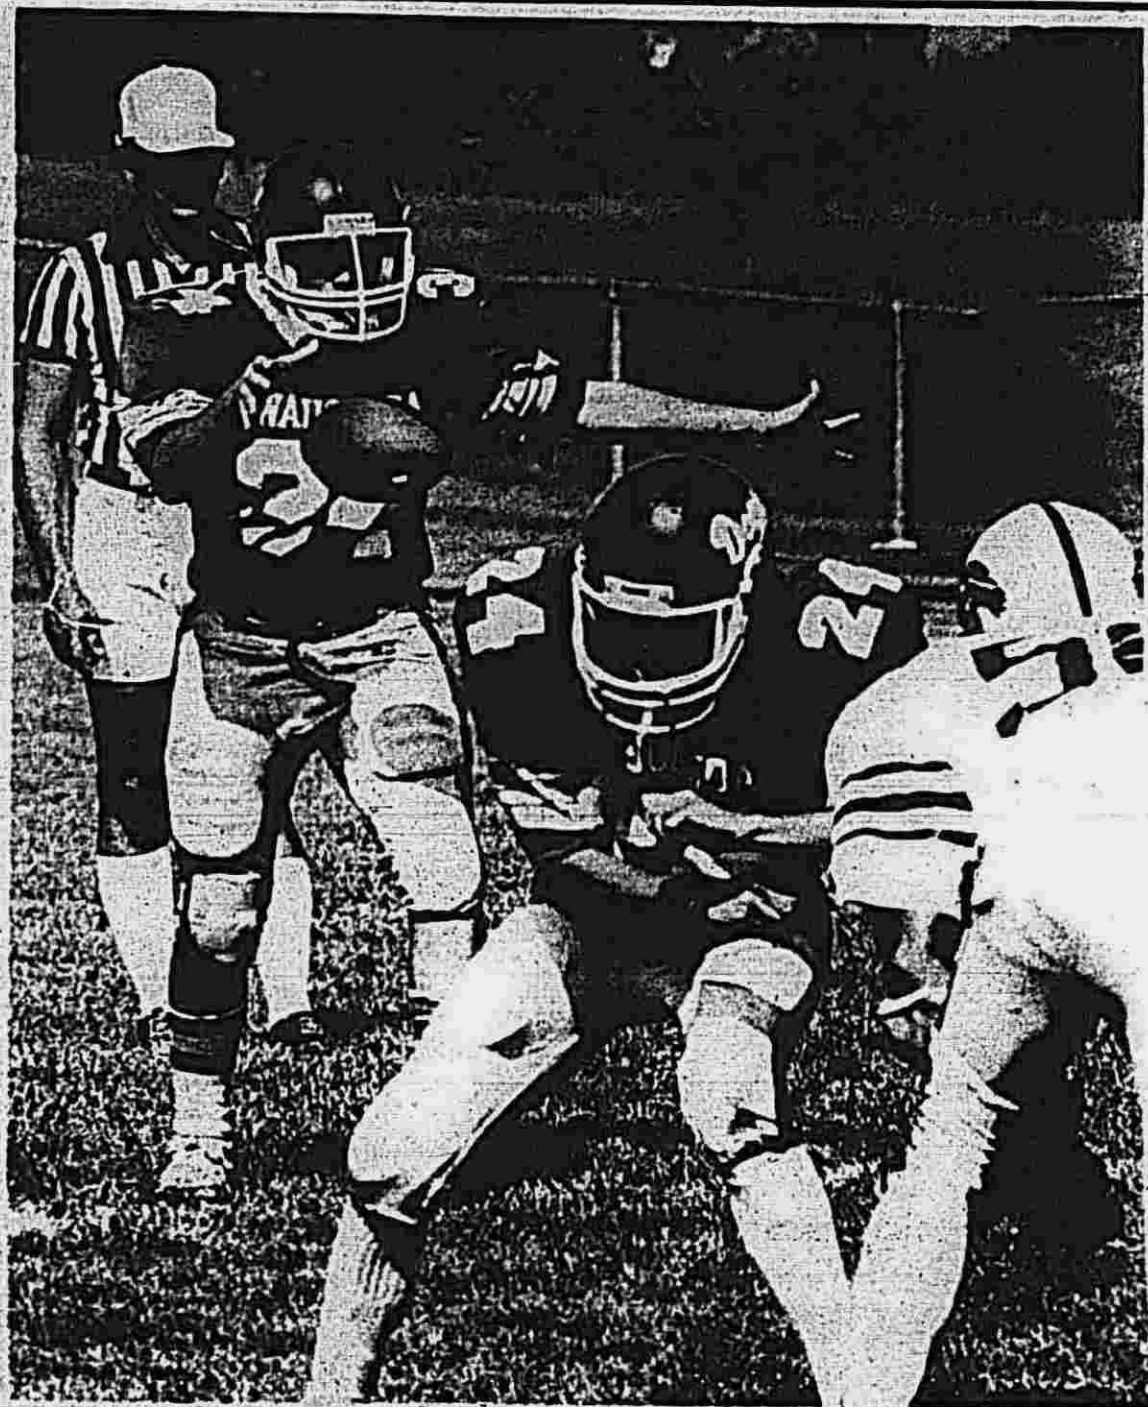

The Skyhawks recovered an onside kick and drove the ball downfield to start the game. Dan Stefka's 17-yard touchdown run and Brian Hauck's 2-point conversion started the scoring for Johnsbury.

Stefka's 42-yard touchdown run and Brian Frazier's extra-point kick left the Skyhawks in com-

mand at halftime 15-0. Hauck's 25-yard flanker reverse pass reception from Pete Switzer in the third quarter finished Johnsbury's scoring.

Then the roof fell in for the Skyhawks. Nazareth Academy went in front with less than two minutes to go. "They were playing to win and we were playing not to lose after we jumped into the lead," said head coach Mike Roberts.

Trying to re-group the Skyhawks for their first conference game of the year Saturday at home against the Wauconda Bulldogs will be a priority for Roberts.

Open Home To Stray Cat

by Charlene Whitney

I have had many calls from people asking me how the mother cat, Tomasina, was doing and if she ever found a good home.

For those of you who don't know who Tomasina is, she is a stray cat that my son found. He rescued the three little kittens and the mother cat from a hole in the garage of a friend's house. The kittens were nearly dead.

We found really good homes for the three kittens. Then, five tiny two-week-old kittens were left at a door step. So, Tomasina decided to take them on as her own. She still had some milk and lots of motherly love to give.

Pet-Wise

We soon found very good homes for the five kittens, leaving the gray tabby behind - still in need of a home. I wanted to keep her so very badly, but my daughter and I are very allergic to cats and it just wouldn't work out for any of us.

Well, Tomasina now has a wonderful home - a family with three children who are always offering her goodies. They have also given her a fancy cat tree house. The mother cat has been spayed by Helping Paws and has been given all her shots.

You would think that she is done being a

mother cat, right? Tomasina is now mothering one little black and white kitten about two weeks old. She can't feed this kitten, named Marbles, but she cleans him, loves him, and yells at him when he doesn't behave. She puts him close to her and keeps him warm and happy.

Someone had dumped off Marbles at the police station, so they gave me a call. If the

policemen hadn't called, Marbles would have died and if Tomasina hadn't taken the kitten as her own, he wouldn't have eaten.

If there is a special place in heaven for special animals, it looks like Tomasina will be there when her work is done here on earth. She is about five years old and has a long, happy life to look forward to, right here with a family who loves her. No one will hurt her anymore.

Coaches See Grant, Lake Zurich On Top

by DANG O'SHEA

Who will win the Northwest Suburban Conference Football Championship this fall? Lakeland area coaches seem to agree that Lake Zurich and Grant are the two strongest teams in the league.

Grayslake head coach Tom Wittum said the title race will probably be between Grant and Lake Zurich but he said Round Lake may be a team that's better than it looks.

Wittum is unable to shed any light on his Rams' chances because of injuries and low numbers. However, he commented that Grayslake has talent and will be counting on its seven lettermen for victories.

Wauconda coach Fred Loffredo also believes Lake Zurich and Grant are two of

the strongest teams in the conference, but he commented that Marian Central and Round Lake are in the running too.

Loffredo also saw a number of teams that may be better than they look in the early going, including Johnsbury, Round Lake and Grayslake.

He said he hopes Wauconda can finish in the middle of the pack. For a good finish by his Bulldogs, he will have to count on a defense improved by defensive coach and former head coach Len Siatta.

Round Lake coach Mike Dunn said Grant and Lake Zurich are the top two teams in the league. He also sees Johnsbury as a dark horse this season.

Dunn also sees the Panthers finishing in the middle

of the standings. "We have quality football players and the key is to get the ball to the end zone," he said.

Grant coach Mike Rogowski didn't list his own club as a contender, picking Lake Zurich and Marian Central as the two strongest clubs. He doesn't feel there will be any surprise teams this year and he said the team with the least injuries will do well.

Grant beat McHenry 24-14 last weekend after losing its opener to Ridgewood, both non-conference contests.

For a good finish by Grant's Bulldogs, Rogowski is counting on fullback Jim Wanhala, a 5-11, 215-pound senior who can bench press 325 pounds. Wanhala starred in the win against McHenry, rushing for 141 yards and scoring two touchdowns.

Furlan's Slates Tournaments

Dug Out Park in Trevor has set the dates for two more 12-inch softball tournaments and a co-ed volleyball tournament in September.

There will be a Class "E" 12-inch tournament on Sept. 14 and 15. Entry fee is \$60. There will also be a double elimination Co-ed Volleyball Tournament on Sept. 14 and 15. Entry fee is \$25.

On Sept. 21 and 22, there will be a non-classic 12-inch tournament with an \$80 entry fee.

This tourney is sponsored by Summit Ridge of Breckenridge, Colo. For more information please call Tom Furlan at (414) 862-9936 or (312) 395-5788. The park is located two miles north of the Illinois state line.

Enrollment Up Five Percent

The Lake County Area Vocational Center (LCAVC) opened its doors on Aug. 26 to 1,258 area high school juniors and seniors.

This figure is a five percent increase over last year's opening day figure of 1,194. The previous four years showed a decline in

enrollment of approximately 100 students per year and the upward trend is a welcome sign to LCAVC administration.

Merv Pilotte, LCAVC director, said "We were concerned that the kids of Lake County would not get an opportunity to take advantage of the advance training we offer, but the increased communication between the Center and the high schools and communities has gotten the word out."

"We are also happy to see an increase in the number of students going on to college after they leave LCAVC," said Mike Anderson, LCAVC coordinator.

"Last year 40 percent of our graduates went on to college," he added.

Rams To Square Off Against Marian Central

The Grayslake Rams lost to St. Catherine of Racine 22-20, on Sept. 7 in overtime after leading most of the game.

The Rams were ahead 14-0 with only 2:39 left in the game when the team began to come apart. "We had a team effort going for three quarters of the game and then it fell apart," Rams coach Tom Wittum said.

With 2:39 left in the game, Racine's Pete Metz scored on a 5-yard run and a two point conversion made the score 14-8.

A bad snap and a fumble gave Racine the ball at the Ram 30-yard line with 34 seconds left to play. The tying touchdown was scored by Greg Kopulos on a 26-yard pass from Kevin May

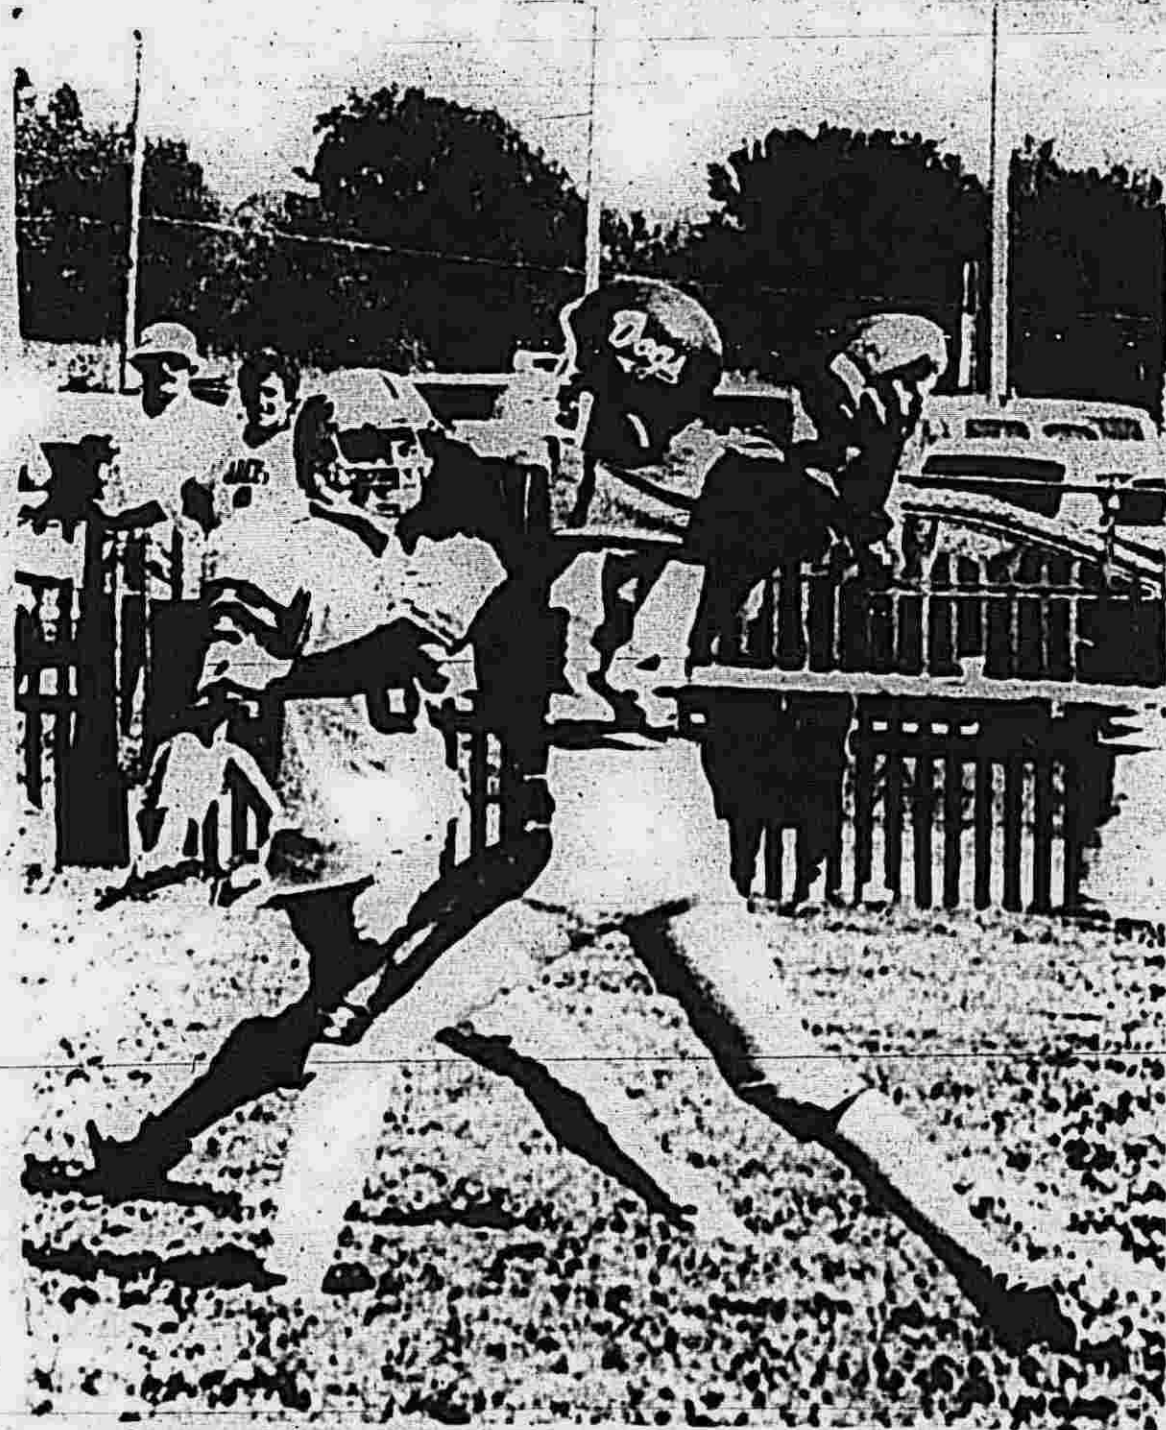

with only three seconds left in the game.

Racine scored first in overtime play, enabling them to go ahead 22-14. Grayslake then scored on a 14-yard pass from Bill Sangbusch to John Lui. The attempt for the two-point conversion was incomplete, ending the game.

Grayslake quarterback, Bill Sangbusch had 11 completions in 21 attempts for 124 yards and three touchdowns.

John Lui caught five passes for 68 yards. Lui caught all three of the touchdown passes. Tom Castino ran for 54 yards on 12 carries.

The Rams will play at 1 p.m. on Saturday, Sept. 14 against Marian Central at home.

Paying With Plastic; What It's All About

(Second of two articles on credit cards.)

Credit cards give consumers short-term loans — at very high interest rates.

Last week The Meyers Report examined charge cards which require immediate payment every month.

This week, we look at the credit card — your personal, plastic loan maker. Here is a breakdown of the most widely used varieties:

VISA/MASTERCARD. These two cards are franchised, like McDonald's or Wendy's. Individual banks and savings institutions operate as franchisees, often for both companies.

Shop around for the bank that offers you the best card services, because each has different policies for interest rates and credit limits.

Annual membership fee. This varies by bank and state law, but is usually no higher than \$20, often including both Visa and Mastercard.

A list of banks charging no annual membership fees is available for \$1.95 from the Bank Card Holders of America, 333 Pennsylvania Avenue SE, Washington, D.C., 20003 (Call: (202) 543-5805).

Initial credit lines. From \$300 to \$15,000, depending upon the institution and your relationship with it.

Revolving credit. Yes. Usually the interest rate is set at 19.8 percent a year (1.65 percent a month), but rates vary according to state law.

The big question is not what is the rate, but how are the monthly finance charges figured? When added monthly, 1.8 percent adds up to 21.6 percent a year; when compounded, it's 24 percent per year.

Some financial institutions have no finance charges if the entire balance is paid within 25 days of the statement date. Others, however, tack on finance charges from the instant a merchant claims his money. Each bank sets its own policies, so do some checking.

Delinquency penalties. Generally none. Some states, such as Illinois, prohibit delinquency penalties. Other states, such as California, allow cash penalties in addition to finance charges. Know your liabilities before

you get your card.

Services. Cardholders usually can obtain cash up to the amount of their credit line at financial institutions, though the interest-rate meter starts running immediately. Also, travel insurance of \$100,000 is automatic if you use your card for purchase of transportation (airline, bus and train tickets).

One new service tied in with Visa/Mastercard is the HomeCard, issued by Household Financial Corp. of America. For \$30 to \$35 annually, applicants receive a Visa/Mastercard with extra services. These include access to a buying service in

Stamford, Conn., which will quote prices and sell products to consumers.

For instance, if you want to buy a refrigerator, you could compare prices by dialing the buying service's toll-free number.

The HomeCard also offers an additional line of credit of up to \$100,000, secured against your home equity. Also, finance charges are much lower than other credit cards: the bank prime rate plus 2 percentage points.

Discounts on a number of services, including H&R Block income-tax services and home purchases through ERA Realty, also are available.

Information phone. For Visa/Mastercard, call your local financial institution. For the HomeCard, call Valley National Bank, 1 (800) 223-5279.

DISCOVER CARD. Sears' Discover Card operates like Mastercard or Visa, but it also will be a savings and investment card.

"We intend for it to revolutionize plastic money," said Paul R. Marrone, manager of external communications for Dean Witter Reynolds, a Sears subsidiary.

Discover Card is being tested in Atlanta, and Sears hopes to release it nationwide next year, though many details remain undecided. This innovative card has good potential, but it will take time to establish the broad retail base needed to compete with its older rivals.

Annual fee. No annual fee will be charged for the first year, and figures for renewals have not been announced.

Initial line of credit. Figures haven't been announced but are expected to be \$300 to \$1,200.

Revolving Credit. Yes, Card members will receive rates that compete with those of Visa/Mastercard, usually 19.8 percent a year (1.65 percent a month).

Delinquency penalties. This is expected to be similar to Visa/Mastercard policies, with most consumers free from penalties.

Services. Card members will be able to cash checks at Sears stores and other participating merchants. Limits are expected to tie into credit lines. Cash advances will be available through automated teller machines.

Merchants such as Sears, American Airlines, Holiday Inn, Budget Rent-A-Car, Denny's and Hospital Corp. of America will discount purchases made with the card.

The card's most innovative feature is access to financial services from Dean Witter Reynolds brokerage, Coldwell Banker Realty and Allstate Insurance, all Sears subsidiaries.

Members also can establish a savings account for themselves and their families at Greenwood Trust Co., the Sears-owned bank in Delaware that will issue the card. Tiered rates are available.

Joins Medical Staff

William R. Sittler, vice president/chief executive of Good Shepherd Hospital, recently announced that orthopedic surgeon, Mark Gross, M.D., has joined the hospital's medical staff.

Dr. Gross received his medical training at Northwestern Medical School and completed his residency

at Loyola University affiliated hospitals.

He is an associate of Frederick Locher, M.D., and Michael Young, M.D., of Lake County Orthopedics Assoc. with offices in the Doctors' Office Building on Good Shepherd Hospital's campus.

When must a contract be performed if it is silent as to time?

When no time for performance is specified in a contract, the law implies that it shall be performed within a reasonable time.

Is a Will invalid because the testator's name is signed by another person?

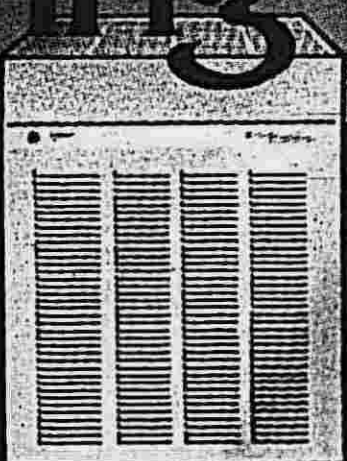

No. If one is unable to sign his name, a will signed by another person in his presence and at his express direction is valid.

Does the 5th Amendment prohibition against self-incrimination protect an accused from having his finger prints introduced at a trial?

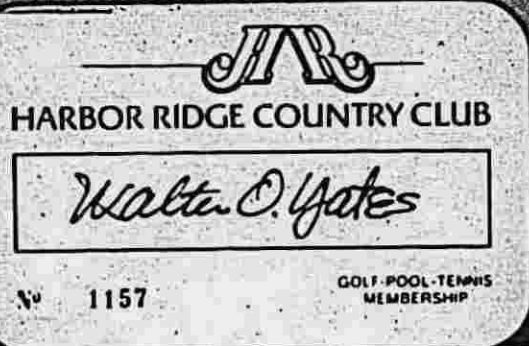

No. The privilege against self-incrimination only protects an accused from being compelled to testify or give evidence of a communicative nature. Fingerprints are considered non-testimonial in nature and not included in the 5th Amendment.

Select Outlet

RSV Central Satellite Systems, Waukegan, has been selected to be the local sales outlet for both, Satellite TV systems and private owner pay telephones.

The satellite systems come in all sizes, and are available in the customers' choice of fiberglass, steel or aluminum. They are capable of studio quality reception and come with some of the best and most up-to-date options and accessories on the market today.

Pay telephones are a new product, offering the small businessman the opportunity to cash in on calls made from his place of business. They are a high demand item and sales are soaring.

Wauconda Satellite Dealer Earns Space

Wauconda resident Robert J. Tomczak, owner of Satellite Communication Systems, recently graduated from the SPACE-sponsored Dealer Certification Program. SPACE (Society for Private and Commercial Earth Stations) is the leading trade association for satellite television industry.

Tomczak is the first graduate in the upper mid-west, including Illinois, Wisconsin, Minnesota, and North and South Dakota, and one of just 23 in the country to have accomplished this achievement.

SPACE developed the program to give consumers "maximum assurance of professional performance" from satellite TV retailers. In order to be certified, dealers must complete and pass five mandatory courses as well as two elective courses.

Instructors are acknowledged experts in their fields of the satellite TV

industry. The text for the classes is accepted for use only with approval of the SPACE Education Committee.

In congratulating the graduates, Chuck Hewitt, executive vice president of SPACE, said, "These are the first of those dealers who are demonstrating to the consumer their commitment to providing quality service. One of the best methods of creating a cross section of qualified dealers is establishing a program that requires a commitment, both in time and dollars in order to identify the sincere, dedicated businessmen."

Tomczak, the first retailer of satellite equipment in both Lake and McHenry counties, has built up an impressive list of credentials in the industry. He is: the first satellite TV retailer in Illinois to secure bank financing for his customers; the first retailer to be licensed to install TVRO equipment in areas such as Cook County and the city of Waukegan where licensing is

and his firm have been called upon to design systems, both commercial and residential, in locations from Minnesota to Mexico. One system that was just completed this summer was installed for St. John's University of Collegeville, Minn.

Present Lectures

A physician lecture, "Painless Dentistry Adults/Children" will be presented at St. Therese Hospital on Wednesday, Sept. 18 at 7:30 p.m. in the hospital's Education Dept.

There is no charge. Call (312) 578-2702 between 7:30 a.m. and 4:30 p.m. Monday through Friday to register.

Breaking Ground

Dana Domerchie, administrative assistant to Waukegan Mayor Robert Sabonjian, accepts a shovel from Dick Daskal on behalf of the mayor to break ground for a new addition to Carpet World, Inc., 3200 Belvidere Rd., Waukegan. Pictured here (left to right) are Mike Kocent, general manager of Carpet World; Tom Grosskopf, Grosskopf Construction Co.; Dick Daskal, owner and founder of Carpet World; and Dana Domerchie, administrative assistant to Sabonjian.

a requirement; a consultant to individual villages and cities assisting them in the development of ordinances concerning satellite television; a guest speaker providing informative programs to Midwest audiences on the various aspects of satellite communication; and a manufacturer of installer-support equipment which is marketed throughout the satellite TV industry on a national level.

Considered by many to be the best in his field, Tomczak

Water Increase

(Continued from Page 1A)

"This is definitely a large increase, but because we have such a low rate, we are still one of the lowest in the county," Sterbenz said.

The last rate increase was in 1980. In 1980, the village paid \$40,633 in utilities

and in 1985, it paid \$87,419—an increase of 115 percent.

The operating costs between 1980 and 1985 went up 69 percent, from \$217,037 to \$367,754. The increase in the sewer rates will put the village even with the increases absorbed in the last five years.

Toxic List

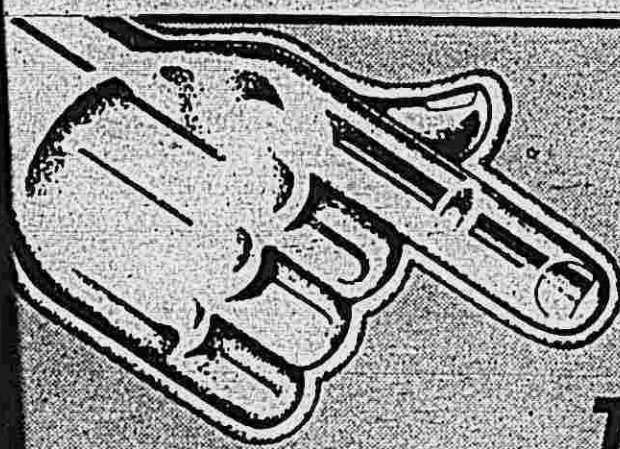

(Continued from Page 1A)

despite Waste Management's petition to expand the filled site horizontally and vertically.

Three other Lake County sites are on the Superfund program cleanup list. They are Waukegan Harbor, which has accumulated

PCB, a Manville Corp. asbestos pile at the Lake Michigan shoreline in Waukegan, and a sand and gravel fill in Wauconda.

The decision of whether the sites in 18 states will win final places on the 850-item priority list will be decided by the EPA after a two-month review of public comments.

Sponsor Course

The College of Lake County (CLC) Office of Open Campus will offer a seven-week refresher course (GSF 030-001) for radiographers who plan to re-enter the profession.

Students will review and discuss radiographic principles, techniques and methods. Emphasis will be placed on the interdependence of theory and principles.

Students will earn 30 ICERTS and must be a registered technologist or registry eligible.

The class will meet Tuesday and Thursday evenings, from 6:30 p.m. for seven weeks in room B245 on the CLC Grayslake campus. Cost for the seminar is \$77.

For more information, contact the CLC Office of Open Campus.

President

R. Michael Anderson of Gurnee and coordinator of the Lake County Area Vocational Center in Grayslake was installed as president of the Illinois Career Development Services Assn. of the annual convention in Springfield in August.

Name Witherell

Jane Witherell, of Waukegan, has been named assistant vice president at First Midwest Bank/Lakehurst, according to Bank President Ralph R. Leonard.

A graduate of Appleton East High School (Wisconsin) and the University of Wisconsin (Milwaukee), Ms. Witherell has been assistant cashier at First Midwest Bank/Lakehurst since January 1985.

Jane Witherell

Before joining First Midwest Bank/Lakehurst, she worked for banks in Milwaukee, Waukegan and Zion.

In her new position, she is responsible for operations, personnel and planning for the bank.

Venture Names Managers

Venture Stores, the quality discount store division of the May Dept. Stores Co., has announced the appointment of three assistant store managers for its new store in Mundelein.

Dave Conder was named assistant store manager-operations; Ted Novak, assistant store manager-hardlines; and Mike Dickson, assistant store manager-softlines.

An Indiana native, Conder joined Venture in 1978 and has served in leadership positions at Venture stores in Merrillville, Ind., Calumet City and Orland Park. His latest position was assistant store manager-operations for the Orland Park store. Conder and his family currently reside in Orland Park.

Novak is a veteran of 13 years with the Venture organization. Beginning as a cart attendant in 1973, Novak rose to dept. manager in Venture's Ford City and Skokie stores and in 1983, became assistant store manager-operations for the Addison store.

Most recently, he held that same position in the recently opened Elgin store. Novak holds a B.A. in Business

Administration from Lewis University and he and his wife, Debbie, live in Schaumburg.

Dickson began his career with Venture in 1980 and has worked in the Griffith, Ind. store as dept. manager for domestics, gifts, shoes, housewares and jewelry.

For the past two years, he has served as assistant store manager-softlines at the Griffith store. A Chicago Resident, Dickson attended the University of Corpus Christi and Texas and Southwest College, both in Corpus Christi, Texas.

Operating 60 stores in

seven states, Venture had yearly sales in 1984 of over 900 million dollars. In addition to Venture, the May Dept. Stores Co. operates 145 department stores, 1,762 Payless Shoe Source stores and owns or has partnership interest in 25 shopping centers.

NEXT WEEK'S HOROSCOPE

BY SALOME

Aries (Mar. 21-Apr. 19) Take a good look at a friend's proposal. Sometimes a tempting sugar-coated morsel can turn out to be a hard pill to swallow. Consult recognized authorities before making a decision.

Taurus (Apr. 20-May 20) Taurus rules the throat so once you've decided what you have to say, say it. You'll find the best approach is the direct and open one. Aspects indicate continued good "fallout" follows.

Gemini (May 21-June 20) Absence may make the heart grow fonder, but it shouldn't make the imagination wander, too. Don't waste energy fretting about unlikely events. Take a more positive attitude; relax.

Cancer (June 21-Jul. 22) Does the proposition sound too good to be true? It is as if part of the agreement requires you to share the secrets once entrusted to you. You gain respect by resisting the request.

Leo (Jul. 23-Aug. 22) Expect some complications along the way. Avoid being overwhelmed by a mass of problems by tending to each as it erupts. Also avoid confiding too many secrets in too many people.

Virgo (Aug. 23-Sept. 22) You won't have to pass any Olympic qualification tests, but expect to have to be more active as you compete for your goal. Careful plans help conserve energy.

Libra (Sept. 23-Oct. 22) Going the course is the best way to reach your goal. To avoid energy-draining obstacles, carefully investigate all possible complications. Efforts are rewarded.

Scorpio (Oct. 23-Nov. 21) Aspects favor more involvement in social matters. Overcome your usual shyness. Once you've plunged into the social swim, you'll find the experience refreshing.

Sagittarius (Nov. 22-Dec. 21) Travel is a dominant factor at this time both for pleasure or for professional reasons. Going to the right place at the right time is the right thing to do.

Capricorn (Dec. 22-Jan. 19) Things are in motion for the Sea Goat. Set sail on an ocean of opportunity. Others join in as you prove your schemes can do more than just hold water.

Aquarius (Jan. 20-Feb. 18) Expect to find a Sagittarian who needs your help in getting through a difficult period. Your efforts are repaid in many ways, any one of which will please you.

Pisces (Feb. 19-March 20) Time is your best ally once again as you make your move forward. You will be given every chance to work towards your goals. Let good friends help where they can.
